Subject: Don Guzman

Aloha Council Chair and Council Members,

It was with great sadness when I read in the Saturday Maui News that Don Guzman position will be before the Council for a decision on whether to keep him on or not.

After reading the article I couldn't believe it, is this is how a good public servant gets treated?

I have known Don Guzman for years, in both personal and community related capacity. Don has always been upfront honest in whatever he did. He has always put the community first and did the best he could for everyone.

When appointed as Prosecuting Attorney for Maui County I was so happy. I worked for Public Safety for over 25 years and I knew that Don would be perfect for that position. He has the skills and knowledge for this position.

I am asking you all to please think about our community, please vote to keep Don Guzman in as our County Prosecutor.

Mahalo,
Jo-Anne Aiwohi
