Aloha,

After reviewing the attached RFLS, I believe the questions should be directed to the departments that administer grants. If helpful, I can provide a list of the departments with the highest number of grants. I can also prepare a brief reference sheet summarizing the applicable laws and restrictions related to grants for the committee's use during the budget session. Please let me know if this would be useful. I hope you had a wonderful holiday.

Mahalo,  
Kristie
