Aloha,

This letter is intended to state my opposition to the building of the Wailuku Civic Hub. This project will further congest Wailuku town during the building process and be minimally effective in adding much needed parking for the town.

Most of the parking is reserved for and used by county & state workers. Why not bus workers from an already existing parking lot? The virtually empty Maui Market Place on Dairy Rd. would be a good start.

Our tax dollars could be much better spent in truly addressing the lack of parking.

Mahalo,

Mille Kohl 844 Kokomo Rd.
