Aloha,

I am an employee of a non profit organization who provides social and homeless program services to the West Maui community. In review of your list of nominees for the WMCPAC I see a name that concerns me on a couple of levels. Because of the privacy act that I am bound to, I cannot go into much detail.

As part of the selection process, I do have a question for Mr. Leo Joseph Thiner-Brickey: "Who is the Underground Homeless Alliance, what is their purpose?, and what is his affiliation?".

I'm hoping this question can be asked as it may open an important conversation in your consideration of his qualifications.

Mahalo,

Rita Medina/A West Maui resident since 1976.
