RE: Support Makila Farms AH-1 (3)

Dear Tasha Kama, Chair - Housing Committee

My name is Stephen Webb.

I am one of five siblings who were born and raised in Maui. I am getting married in less than a month and without an opportunity like Makila farms, my future wife and I will have to move off island if we want to raise a family in a house we can call our own.

My sister and her husband are in the process of adopting 3 children from foster care and would also greatly benefit from an affordable housing project like Makila farms.

I would love to see this project become a reality. It would be quite a blessing to many young, working people on Maui.
