Honorable Chair and Members
of the County Council
County of Maui
Wailuku, Maui, Hawai'i

Chair and Members:

Your Agriculture, Diversification, Environment, and Public Transportation Committee, having met on June 5, 2025, makes reference to Bill 75 (2025), entitled "A BILL FOR AN ORDINANCE AMENDING THE COMPREHENSIVE ZONING ORDINANCE ON AGRICULTURAL TOURISM."

Bill 75's purpose is to establish agricultural tourism as an accessory use in the County Agricultural District.

Your Committee notes that the Council's Agriculture, Diversification, Environment, and Public Transportation Committee (2023-2025 Council term) met on November 21, 2024. The Council adopted Resolution 24-172, CD1, FD1, to refer a bill to amend the Comprehensive Zoning Ordinance on agricultural tourism to the planning commissions on December 6, 2024.

Your Committee also notes that Sections 205-2 and 205-4.5, Hawai'i Revised Statutes, authorize agricultural tourism on a working farm in the State Agricultural District if:

- the agricultural tourism activity is accessory and secondary to the principal agricultural use,
- the agricultural tourism activity does not interfere with surrounding farm operations, and

- the relevant county has adopted ordinances regulating agricultural tourism.

By correspondence dated February 19, 2025, the Planning Director recommended the planning commissions consider revisions to the proposed bill that would do the following:

1. Delete the sentence “A restaurant is not permitted” in proposed Code Subsection 19.30A.050(B)(15)(a) for clarity and consistency.
2. Create a new requirement under Code Chapter 19.36B to require one parking space per two agricultural tourism activity participants.
3. Delete “gift shop requirements” because the requirements are covered under “agricultural retail structure” in proposed Code Subsection 19.30A.050(B)(15)(d).
4. Include registration requirements for agricultural tourism.

Additionally, the Department sought the planning commissions’ input on the following:

1. The appropriation of indigenous culture and intellectual property.
2. The operation of voyaging or wayfinding activities that may not be related to the principal farm activity.

By correspondence dated April 11, 2025, the Planning Director noted the following:

- The Lānaʻi Planning Commission, at its meeting of February 19, 2025, recommended approval of the proposed bill, incorporating the Department’s recommendations.
- The Maui Planning Commission, at its meeting of February 25, 2025, also recommended approval of the Department’s recommendations, and provided the following additional comments to the Council:
 - Strengthen language on indigenous cultural appropriation, and consult with the Department of ʻŌiwi Resources on enforcement.
 - Revise language on voyaging or wayfinding activities to instead allow “traditional or ancestral activities related to the location and movement of celestial and elemental bodies.”
 - Revise the requirement that agricultural tourism “activities are no longer permitted as accessory uses if the farming operations cease” by adding “without any meaningful farming operations for 60 consecutive days.” This change would address a pause in farming operations from unforeseen circumstances, including inclement weather, disease, infestations, supply-chain disruptions, and change in crop type.
 - Replace “State of Hawaiʻi” references with “Hawaiʻi.”
 - Replace “pili house building” with “traditional hale building.”

- The Molokai Planning Commission, at its meeting of February 26, 2025, also recommended approval incorporating the Department's recommended revisions, but excluding Molokai.

Your Committee further notes that time constraints prevented the Maui Planning Commission from transmitting the bill to the Advisory Committees, although your Committee's Vice Chair had requested review by the Hāna Advisory Committee.

At the request of the Chair of your Committee, the Department of the Corporation Counsel transmitted a proposed CD1 version of Bill 75, entitled "A BILL FOR AN ORDINANCE AMENDING TITLE 19, MAUI COUNTY CODE RELATING TO THE COMPREHENSIVE ZONING ORDINANCE ON AGRICULTURAL TOURISM," approved as to form and legality. The proposed CD1 version incorporates Department of Planning recommendations. It also incorporates amendments to the hours "traditional or ancestral activities related to the location and movement of celestial and elemental bodies" may operate and nonsubstantive amendments for consistency, clarity, and style.

Your Committee discussed Bill 75, CD1, and agreed to further amendments as follows:

- Restrict agricultural tourism activities to between 8:00 a.m. and 6:00 p.m.
- Remove "traditional or ancestral activities related to the location and movement of celestial and elemental bodies" from the agricultural activities a producer may offer, and change

the “host culture’s intellectual property” to the “indigenous culture’s intellectual property.”

- Include a requirement to consult with the Director of ‘Ōiwi Resources before enforcement of possible violations involving appropriation of indigenous cultural traditions and allowing the Planning Director to revoke a producer’s registration for up to five years where repeated violations demonstrating intentional disregard for compliance occur.
- Require approval by the Director of ‘Ōiwi Resources for the registration of agricultural tourism activities based on traditional, ancestral, indigenous, or cultural activities.
- Require safe road access for the Department of Fire and Public Safety.

Representatives from the Department of ‘Ōiwi Resources, Department of Fire and Public Safety, and Department of Planning expressed support for the revised bill. The Director of Agriculture supported the bill and the additional opportunities the bill could provide farmers.

Your Committee notes that under Section 8-8.6 of the Revised Charter of the County of Maui (1983), as amended, if the planning commissions recommend a modification not accepted by the Council, the Council may still pass the revision with an affirmative two-thirds vote.

Your Committee notes that the proposed bill would further the following plan directives:

- “Promote the teaching of traditional practices, including aquaculture; subsistence agriculture; Pacific Island, Asian, and other forms of alternative health practices; and indigenous Hawaiian architecture.” (Countywide Policy Plan, page 53)
- “Diversify the tourism industry by supporting appropriate niche activities such as ecotourism, cultural tourism, voluntourism, ag-tourism, health and wellness tourism, educational tourism, medical tourism, and other viable tourism-related businesses in appropriate locations.” (Maui Island Plan, page 4-13)

Your Committee voted 7-0 to recommend passage of Bill 75, CD1 (2025), on first reading. Committee Chair Johnson, Vice-Chair Sinenci, and members Cook, Lee, Paltin, Sugimura, and U‘u-Hodgins voted “aye.”
