Hello Mr. Victorino,

This was received in our general email box vs Mr. Thompson's direct email. Mr. Thompson is actually traveling to Canada today and will be back in the office on June 6. I have copied him here so he is aware of your request but want to make sure you also knew his ability to access and respond to emails during this time period is limited. Thank you, Veronica

Dear Mr. Thompson,

Please see the attached correspondence and two proposed Charter amendments that will be discussed at the Council's Policy and Intergovernmental Affairs Committee meeting next Wednesday at 9:00 a.m., which I Chair.
