**Aloha,**

**Once again would just like to show my support of this housing project. My wife and I work on the west side of Maui and would really like to own a home over here but there is nothing over here that is affordable. It seems as though our only option for home ownership is up country which would be adding to the already horrendous traffic situation, higher costs in gas, and much much more time on the road.**

**I do not want the West Maui Community Planning Action Committee (CPAC) to delay this or any other project that has any affordable housing in West Maui. We are in housing crisis mode.**

**Thanks,  
Chris V**
