RE: Support Makila Farms AH-1 (3)

Dear Tasha Kama, Chair - Housing Committee

Aloha nui,

My name is Tiffany Lee and I would like to pledge my full support for the Makila Farms affordable housing development in Lahaina.

Born and raised on the island of Maui, I have always wished to own a home to raise my two sons in. Then, one day, god permitting; bequeath this home to them so that they will always have a home on this beautiful island on the West side of Maui. If given the opportunity to own a home we would be so thankful. The cost of living here in Hawaii is already through the roof, however having the ability to own a home at Makila farms would benefit our ohana tremendously. Rather than having to pay \$3000 on rent to someone else, we would be able to put that kind of money towards a home that we can call our own one day.

Please give Makila farms a chance to provide affordable housing for us locals that are in need and wants of owning their own piece of home in paradise

Mahalo for this opportunity, please consider Makila Farms.
