PARKS, RECREATION, ENERGY, AND
LEGAL AFFAIRS COMMITTEE

February 17, 2017

Committee
Report No. _____

Honorable Chair and Members
of the County Council
County of Maui
Wailuku, Maui, Hawaii

Chair and Members:

Your Parks, Recreation, Energy, and Legal Affairs Committee, having met on January 31, 2017, makes reference to County Communication 17-29, from the Director of Finance, transmitting a map for Maui Country Club (Subdivision File 3.410), Designation of Recreational Path Easement "D," identified as tax map key number (2) 3-8-001:071 (por).

The purpose of the communication is to provide notice to the Council, pursuant to Section 3.44.015(H), Maui County Code, that the County acquired the easement.

The Director of Public Works informed your Committee that the County acquired the easement as part of Phase IV of the North Shore Greenway Project. Phase IV, which connects Phases II and III, begins at Ulupua Place and runs along the makai side of Hana Highway, adjacent to Maui Country Club, crossing Kailua Gulch, and passing through Baldwin Park.

The Director further informed your Committee that the easement was needed because the bike path had to be routed around a Department of Water Supply pumping station.

Your Committee voted 8-0 to recommend filing of the communication. Committee Chair Guzman, Vice-Chair King, and members Atay, Carroll, Crivello, Hokama, Sugimura, and White voted "aye." Committee member Cochran was excused.
