Community Plan Actions by Department

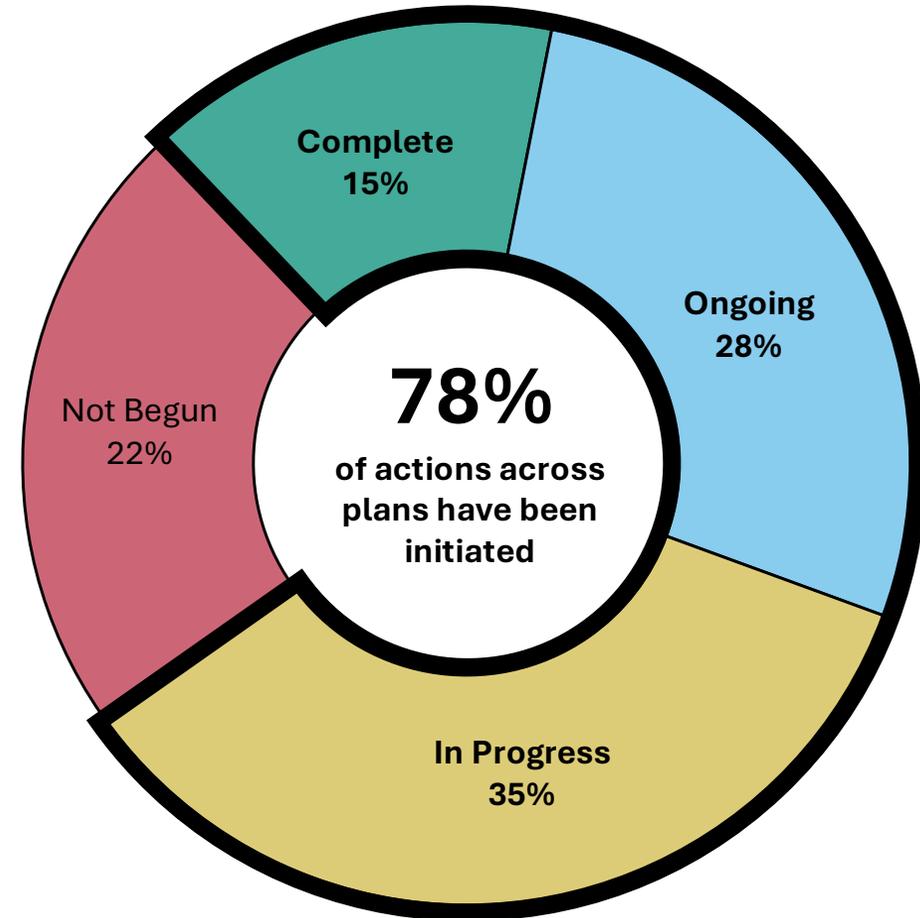

PLAN AREA	REF.	2025 FEDERAL, STATE, OTHER COMMUNITY PLAN IMPLEMENTING ACTIONS	STATUS OF 82 TOTAL ASSIGNED IMPLEMENTING ACTIONS			
			23%	32%	32%	13%
			Complete	Ongoing	In Progress	Not Begun
Lanai Community Plan (2016)	49	Continue planning, exploration, testing, and development of alternative water resources, such as a desalination plant.				
Lanai Community Plan (2016)	50	Prohibit the use of high-level aquifer water for golf course irrigation purposes, consistent with the Water Use and Development Plan for Lānaʻi and as provided for by law.				
Lanai Community Plan (2016)	51	Provide high-speed internet throughout the island.				
Lanai Community Plan (2016)	52	Provide cell phone service all around the island for complete coverage.				
Lanai Community Plan (2016)	53	Provide more wireless "hot spots" in Lānaʻi City and Mānele PD.				
Makawao-Pukalani-Kula Community Plan (1996)	54	Provide additional elementary schools, as required and establish a student enrollment limit of 700 for each school.				
Makawao-Pukalani-Kula Community Plan (1996)	55	Provide a new intermediate school when enrollment at Kalama Intermediate School reaches 1,200. The new intermediate school would serve students from Pukalani and Kula, with Kalama Intermediate School serving students from Makawao and Haiku.				
Makawao-Pukalani-Kula Community Plan (1996)	56	Construct permanent school buildings to replace existing temporary classrooms.				
Makawao-Pukalani-Kula Community Plan (1996)	57	Give priority consideration to the "no-build" alternative of the proposed Upcountry-Kihei Highway. If built, establish an alignment for the Upcountry-Kihei Connector road which provides a connection to Haleakala Highway near its intersection with Hallʻimaile Road.				

Implementation Summary

Across the combined 1,261 actions in the CWPP, MIP, and Community Plans, department responses show that:

- 78% of actions have been completed or initiated to some extent.
- 22% of actions are reported as not begun.

Actions not yet initiated may reflect circumstances such as need for additional time due to recent plan adoption, authority limitations, or resource constraints, among other factors.
