Aloha Gladys,

Mahalo for your consideration of me as a nominee to the Maui Planning Commission as its Native Hawaiian Traditional and Customary Practices Expert. With due respect, I am withdrawing my application for this nomination as I am not comfortable portraying myself as a Native Hawaiian Traditional Customary Practices Expert. I believe there are so many others on Maui nui a kama who could better serve the commission in this respect.

Should there be an opening for a nominee to the MPC representing the community, I would like to be considered.

Again, mahalo for your consideration. Please extend my appreciation to Mayor Victorino as well.

Lori Sablas
