SUBJECT: **FISCAL YEAR 2020 BUDGET FOR THE COUNTY OF MAUI**

We are in receipt of your request to review as to form and legality the Proposed Fiscal Year 2020 Budget for the County of Maui.

At this time, we have reviewed and approved the document as to form and legality, with the understanding that our review is limited to compliance with the various state laws, county ordinances, and Charter requirements. Our review did not verify any numbers, calculations, or the accuracy of statements within the document.

It is also important to note that our office does not have the expertise to do an in-depth analysis of whether estimated revenues, proposed expenditures and total appropriations are in equal in amount, however based on what was presented, it appears that the document is in compliance with that requirement of the Charter.

We would also like to note that we were cognizant of Council's posting requirements and did our best to thoroughly review the document in the allotted time.
