Resolution

No. 25-195

REFERRING TO THE MAUI PLANNING
COMMISSION PROPOSED BILLS TO AMEND THE
PĀ'IA-HA'IKŪ COMMUNITY PLAN DESIGNATION
TO LIGHT INDUSTRIAL AND CHANGE THE
ZONING TO M-1 LIGHT INDUSTRIAL DISTRICT
FOR 19.933 ACRES IN PĀ'IA, MAUI, HAWAII (TAX
MAP KEYS (2) 2-5-005:023 AND (2) 2-5-005:054;
PĀ'IA SUGAR MILL REDEVELOPMENT PROJECT)

WHEREAS, the Council is considering proposed bills to grant land use entitlements for two parcels owned by Paia Village Company LLC, located in Pā'ia, Maui, Hawaii, for the Pā'ia Sugar Mill Redevelopment Project; and

WHEREAS, the proposed bills would:

- Amend the Pā'ia-Ha'ikū Community Plan designation from Heavy Industrial to Light Industrial for a 0.245-acre parcel identified for Real Property Tax purposes as Tax Map Key (2) 2-5-005:023 and from Heavy Industrial and Agriculture to Light Industrial for a 19.688-acre parcel identified for Real Property Tax purposes as Tax Map Key (2) 2-5-005:054; and
- Change the zoning for both parcels from the Urban Reserve District to the M-1 Light Industrial District; and

WHEREAS, the Pā'ia Sugar Mill Redevelopment Project proposes the adaptive reuse and revitalization of the historic Pā'ia Sugar Mill site into a multipurpose, light-industrial, and commercial center that honors the area's plantation-era legacy while serving the evolving needs of the North Shore community; and

WHEREAS, a Light Industrial Community Plan designation and M-1 Light Industrial District zoning for the parcels would allow the Project to include, by way of example:

- Artisan workshops and maker spaces;
- Warehousing and distribution for locally produced goods;

- Light manufacturing;
- Service trades;
- Small business offices;
- Farmers' market or community events areas;
- Historical interpretive displays or museum elements honoring the property's legacy; and
- Business centers, including eateries and retail spaces for the community's enjoyment; and

WHEREAS, the Project supports the goals of the Maui Island Plan to foster economic diversification (MIP page 4-3; Objective 4.1.1, page 4-5); create "a business environment that is sensitive to resident needs and the island's unique natural and cultural resources" (MIP Goal 4.1, page 4-5); and "promote the rehabilitation and adaptive reuse of historic sites, buildings, and structures" (MIP Policy 2.1.3.d, page 2-12); and

WHEREAS, the Project also supports the Pā'ia-Ha'ikū Community Plan's goal of a "stable economy that complements the rural character of the region and provides opportunities for economic diversification and community needs" (Community Plan, page 21); and

WHEREAS, under Subsection 2.80B.100(A), Maui County Code, the Council may propose nondecennial amendments to community plans by resolution; and

WHEREAS, under Subsection 19.510.040(A)(1), the appropriate planning commission must conduct a public hearing on a Change in Zoning application; and

WHEREAS, Sections 8-8.4 and 8-8.6 of the Revised Charter of the County of Maui (1983), as amended, require that the appropriate planning commission review proposed zoning and other land use ordinances, and provide findings and recommendations to the Council; now, therefore,

BE IT RESOLVED by the Council of the County of Maui:

1. That it refers the following bills to the Maui Planning Commission for appropriate action under Sections 8-8.4 and 8-8.6 of the Revised Charter of the County of Maui (1983), as amended:
