Subject: Hawaiian practitioners on Molokai

To whom it may concern,

Please use this as a testimony for the Bill regarding practitioners on the island of Molokai Having a seat on the planning commission. There is no doubt that there are qualified practitioners as well as conservationists that would have great interest in being a part of the planning commission. If there are any questions or concerns please feel free to contact myself, practitioner on Molokai, via email here, or by phone at 808-450-6218x

Sincerely,
Kanoelani Davis
