Subject: Support of deferring the Water Use Plan

I, Kecia Joy, a resident of 18 years of Kihei Maui, am in support of deferring the Water Use Development Plan to June 31, 2021 to give ALL of us MORE time to look over this important plan. Please know how important water is to everyone and how much a fair plan is imparative.

Thank you for doing what is pono for the people.

Mahalo,
Kecia Joy
