Aloha BFED Committee:

On behalf of Councilmember Kama, please find attached her budget priorities for FY 22. She has a total of 5 priorities – 4 of which can be considered “county-wide” and 1 that is targeted for Kahului (but with likely benefits island-wide).

Councilmember Kama has no “limitations” that she would place on budget expenditures recognizing that the Administration should have the flexibility to work with Council on producing the best possible outcomes for scarce budget dollars.

Page #	Program "PB" Details "BD"	Proposal	Index Code	Department & Program	Sub-Object Character Type/ Object Description	Increase amount/ Decrease amount	Comments: Rationale for proposed change
	BD	1 Countywide	916502B	Public Works – Highways Administration	7044	Add \$280,000 for: Mini excavator – \$40,000 Skid steer loader - \$90,000 Small pickup truck - \$40,000 Hydraulic cylinder - \$100,000 Diagnostic equipment for diesel equipment - \$10,000	The mini excavator is needed to get into confined areas and reduce manual labor. The skid steer loader will enable crews to get into large culverts and load out rocks and debris that block culverts. The small pickup truck will replace an obsolete Ford Ranger. The hydraulic cylinder is needed because there is no service on Maui that repairs large hydraulic cylinders.
	BD	2 Countywide	916502B	Public Works – Highways Administration	7044	Add \$60,720 for 2.0 Equivalent Personnel (laborers); 8 months funding at \$30,360 per laborer	The additional EP (laborers) are needed for the maintenance of County roadways, drainage systems, flood-control facilities, and appurtenant structures.
391	PB	3 Countywide		Office of the Mayor, Economic Development Program – Grant Revenue Fund		Add \$60,000 to outsource a grant writing specialist	A specialized grant writer to pursue Federal grants. This will enable the County to stretch its dollars exponentially by utilizing matching funds instead of paying for infrastructure improvements or housing projects in its entirety.
12-12	BD	4 District	915029B	Parks and Recreation	6138	Add \$50,000 for a comprehensive assessment of highly utilized County parks and recreational facilities in Wailuku district	Assessing existing conditions and frequency of use of parks and recreational facilities will assist in determining maintenance priorities. The assessment could also include possible revenue generation for future use.
5-108	BD	5 District	1011208	Environmental Management	6129	Add \$50,000 for abandoned vehicle and removal program in Waihee and Waikapu	The growing number of abandoned vehicles has created a public nuisance and poses health and safety risks. This additional funding would help to resolve this problem.

Page #	Program "PB" Details "BD"	Proposal	Index Code	Department & Program	Sub-Object Character Type/ Object Description	Increase amount/ Decrease amount	Comments: Rationale for proposed change
291	PB	1		Department of Housing and Human Concerns Grants and disbursements for health, human services, and education		Increase \$1.15 million	Grant to build Aloha House 12 bed residential dorm To provide enhanced access and support services for homeless individuals with behavioral health and substance abuse issues we are proposing to fund a grant to Aloha House to increase their residential capacity by 12 beds. Estimated cost would be: \$205,000 design & consulting. \$950,000 construction, permitting, sitework, etc.
294	PB	2		Department of Housing and Human Concerns Grants and Disbursements for Substance Abuse Programs		Increase \$380,000	Aloha House's Enhanced Coordinated Care Program To improve our quality of care, reduce incidence of relapse, and end the cycle of homelessness we propose to provide a grant for Aloha House's Enhanced Coordinated Care Program, which will provide enhanced access and support services for homeless individuals with behavioral health issues. Funds would be used as follows: \$75,000 - Salary and fringe expenses for one Care Coordinator for one year \$59,000 - Salary and fringe expenses for one Intake Specialist for one year \$37,000 - Salary and fringe expenses for one Field Specialist for one year \$33,000 - Salary and fringe expenses for .5FTE Program Director for one year \$124,800 - Salary and fringe for 20% of nurses' expense in LCRS for one year \$5,500 - Database software and licenses \$6,500 - Laptop and necessary hardware for users \$2,500 - IT Consultant expenses \$34,000 - Management and Administration

11-4	BD	3	903018A	Office of the Mayor Climate Change, Resiliency, and Sustainability		Increase (same amount as Grant writer on page 11-20 903039A)	Agriculture Grant Writer We propose that this position be created in FY22 in order for the County to start applying for grants that will help fund programs and activities by the Department of Agriculture that is anticipated to be created in FY23.
		4		Police		Increase \$565,000	Lahaina LEAD Program LEAD is the Law Enforcement Assisted Diversion best practice program established in Seattle, WA. In Maui, the LEAD program began as a pilot in Kahului and Wailuku in 2019 to 2020. The Maui LEAD partners included Mental Health Kokua (MHK), Maui Police Dept., Ka Hale A Ke Ola (KHAKO), Aloha House, Ho'omaika'i Services. This grant would implement a LEAD program in Lahaina to help divert homeless adults from legal encounters and arrest, and instead engage homeless adults in social services and housing placement. Predicted Outcomes: 10 homeless adults at a time in pallet house-stabilization beds. 3-months average length of stay. 25 people placed in permanent supported housing. 30 unduplicated homeless adults served in first year.
		5		Affordable Housing Fund		Increase \$20,000,000	In the draft of the Comprehensive Affordable Housing fund it recommends the use of real property tax revenue and its bonding capacity to expand affordable housing by investing in community serving infrastructure. With this recommendation we propose to increase the Affordable Housing Fund and create an infrastructure limitation of \$20 million to support 100% affordable housing projects. The purpose of this limitation is to provide funds for the development and construction of infrastructure for new 100% affordable housing projects in the County of Maui. The funding and creation of this limitation is necessary to support the creation of affordable housing units; to promote job creation; and to improve the overall economic, cultural, and social well-being of the County. "Infrastructure" is intended to include

							roads, sidewalks, public lighting, water delivery, wastewater removal, and any other capital improvements within or near new 100% housing projects with at least 100 new housing units. If such infrastructure also allows the development of housing on DHHL lands lacking infrastructure, that is within the limitation's purpose if such expenditure also benefit affordable housing projects.

If such infrastructure also allows the development of housing on DHHL lands lacking infrastructure, that is within the limitation's purpose if such expenditure also benefit affordable housing projects.</p>

		2		Affordable Housing Revolving Fund		(2) \$5,000,000 must be for planning, design, engineering, construction, and construction related to the Lana'i Affordable Housing Project	Lana'i Affordable Housing Project We have County owned land and a successful non-profit developer interested in building low income housing on Lana'i. \$5,000,000 will allow a developer to get matching monies from State and Federal sources. <i>(There is currently a \$2 million limitation for this project)</i>
		3		Affordable Housing Revolving Fund		\$500,000 must be provided for projects and programs vetted by the newly created Commission on Healing Solutions for the Homeless on the condition they are approved by the Council	There are many ideas and solutions that need to be considered to relieve our increasing homeless crisis. We are proposing to set aside funding to projects and programs vetted by the newly created Commission on Healing Solutions for the Homeless on the condition they are approved by the Council.
		4		Open Space		\$2,000,000 must be for land acquisition and related costs for a Lana'i agriculture park	On page 8 of the mayor's letter to the chair it states that there is \$2 million for the Lana'i agriculture park. On page 46 of the proposed operating budget bill it only reads (2) Up to \$1,000,000 must be for land acquisition and related costs for a Lanai agricultural park.

11-19	BD	1	903039A	Office of the Mayor ECONOMIC DEVELOPMENT PROGRAM		Increase (same amount as Moloka'i Economic Development Specialist page 11-19)	Economic Development Specialist for Lana'i, similar to the one the County provides on Moloka'i. Community members were told this position was going to be created by a previous OED director.
293	PB	2		Housing and Human Concerns Grants and Disbursements for Health, Human Services and Education		Increase \$225,000	Hale Mahaolu Personal Care Program We would like to increase funding to expand this program, from 8 – 20 clients, including expansion on Lana'i. Hale Mahaolu provides in-home personal care services to frail elderly, disabled and chronically ill adults (18 years of age and older), including cognitive and/or emotional problems, which impair the individual's ability to perform activities of daily living (ADLs) and/or instrumental activities of daily living (IADLs). (A \$225,000 State Grant In Aid request was denied due to the COVID-related state budget crisis.)
293	PB	3		Department of Housing and Human concerns Grants and Disbursements for Health, Human Services and Education		Increase \$128,576	Mental Health Kokua's Safe Haven Services Program We propose to expand the MHK Safe Haven Services Program in Wailuku-Kahului to include a LEAD component to help divert homeless adults from legal encounters and arrest, and instead engage homeless adults in social services and housing placement. Expansion would include 2 additional Safe Haven Stabilization Beds. Additional funding is \$128,576 per year. MHK Safe Haven Program is currently funded in the FY22 budget at \$192,337. We would like to increase the total to \$321,000

46	Budget Bill	1 CW	Special Purpose Revenues	DHHC, RPT Revenues	Affordable Housing Fund	\$3,714,020	Increase the Affordable Housing Fund an additional 1% for a total appropriation of 5% of RPT, total appropriation of \$18,566,000. The effects of COVID are still very evident, families are not fully back to work and need assistance with shelter, we should use the additional funds to secure the means shelter for families in need.
8-10	BD	2 CW	914170B	DHHC, Housing Program	7541	\$1,000,000	Increase the Home Acquisition and Ownership Program an additional \$1 million for a total appropriation of \$2 million. This program was stalled as a result of COVID, only 7 families were placed in homes last year. To make up for the lost opportunity, we should increase the fund to allow families that missed out last year to find a home this year.
10-7	BD	3 D	904016B	Management	6112	\$350,000	Increase contract services \$350,000 to hire non-profit or other organization to implement the Paia Clean and Safe Program. Last year the Council appropriated funds for the purchase of trash receptacles for the program. The next step is to hire an organization to implement the program. The request for the Clean and Safe program has come from both residents and businesses to help with health, safety and cleanliness of the community.
14-8	BD	4 CW	909010A	Planning	P-xxxx	\$250,000	Increase Planning by 3 EP's, two Planners and one Secretary for staffing Advisory Committees. Planning has indicated that additional staffing and operations funding is necessary. Appropriation includes \$150,000 for salaries, \$100,000 for operation and equipment.
704	BD	5 D	CBS XXXX	Parks	Interim Parking	\$400,000	For the creation of a temporary parking area in Lower Paia during the construction of the Lower Paia Parking Lot approved during FY21. The State has restricted parking along the shoulder of the Hana Hwy. This has caused great disruption for beach goers. So that parking is not totally eliminated this temporary facility will be installed. To save funds, the County could use the lot materials at the Wells Park location and Hui Malama Paia, is offering volunteers to assist with project.

44	Budget Bill	1 D	Special Purpose Revenues	DEM/Finance	Highway Beautification and Disposal of Abandoned or Derelict Vehicles Revolving Fund	Up to \$100,000 shall be for the trash pick-up and removal of abandoned vehicles within the Hamakualoa Open Space Preserve	The Council appropriated \$100,000 last fiscal year for abandoned vehicle removal and clean-up of the Hamakualoa Open Space Preserve. This effort was very successful, with the assistance of DEM, DPW, Malama Hamakua Maui and the Haiku Community Association. However, they just scratched the surface, there is much more land that requires trash and abandoned vehicle removal, therefore the community is requesting continued assistance to preserve this vitally sensitive area.
46	Budget Bill	2 D	Special Purpose Revenues	Parks/Finance	Open Space, Natural Resources, Cultural Resources and Scenic Views Preservation Fund	Up to \$400,000 shall be for Hamakualoa Open Space Preserve Master Plan	The Council has previously approved \$140,000 for archeological study for the Hamakualoa Open Space Preserve. Moving forward with the disposition of the preserve, a Master Plan should be developed. The land has sat over 5 years without any direction. It has become a dumping ground for trash and vehicles. We need to establish a presence at the preserve to allow the use of the public and prevent further degradation of the beautiful coastline.
534	PB	3 CW	Goals and Measures	Public Works	New Goals	The Department shall add goals specific to improved customer service and responsiveness to the public.	The current goals relate to employee satisfaction however, Department needs to monitor their customer service through responsiveness to inquiries, timely review of permits, professional and positive attitude toward the public, accordingly the department should create measurements for achieving these goals.
13	Budget Bill	4 CW		Mayor	Environmental Projection	Earmark \$500,000 from ____	Increase the Environmental Protection grant \$500,000 to \$2.5 million consistent with FY 21 budget. Great strides have been made with invasive species eradication, preservation of the wetlands and our environment. We should maintain due diligence in an effort to stay on top of this problem.
