RE: Support Makila Farms AH-1 (3)

Dear Tasha Kama, Chair - Housing Committee

I am in support of Makila Farms affordable housing project as it will provide housing for the workforce on the west side of Maui. I am a Lahaina resident and have lived here my entire life. I come from a large family and have known many community members that would greatly benefit from being afforded a home here. There is a huge need for housing and I hope that you will look to the future of the community and approve this project. It is an opportunity for the county to have this developer make a dream come true for some deserving families. Please approve this project for the future in Lahaina.

Mahalo for your consideration.
