OBJECTIVE: To obtain an appointment on the Maui County Police Commission or the Fire and Public Safety Commission.

PROFESSIONAL FIREWORK EXPERIENCE:

Interim Fire Chief by default of Deputy Chief Role **July 1, 2018 to Sept 30, 2018**

Responsible for monthly performance measures, with training updates of personnel, maintenance of equipment, and budgetary impacts to the overall department including ocean and safety operations. Oversees union grievances and public complaints and compliments to be disseminate information to all bureaus.

Deputy Fire Chief **August 1, 2017 to Sept 30, 2018**

Experienced communicator with County of Maui Managing Director, Emergency Management Administrator, and County Council Members including the Budget and Finance Chair. Developed the 2018-2019 Department of Fire and Safety Operating Budget. Successfully presented in chambers to County of Maui Council Members the necessity to lobby for extra positions and mitigate the feral sugarcane fields and open land wildfires, thus received budgetary approval for the purchase of specialized wildland equipment, along with all-terrain vehicles and training which values at approximately \$1,000,000. Presented a Public Safety speech at the Queen Ka'ahumanu Center (QKC) Cares Campaign during the Mayor's proclamation of ensuring the shopping center is a safe place to visit. Likewise, QKC, continues to foster good relationships with providing the Fire Department by supporting our training needs. Facilitated a Memorandum of Understanding (MOU) to comply with Risk Management. Serves on the State Fire Council Board to create and propose county ordinance and state laws for Hawaii and collaborated with the National Fire Protection Association (NFPA) to enact changes to the State fire code, currently addressing the recent need for Fire Sprinklers in high-rise buildings throughout the state. Am aware of the logistical challenges and difficulties for the movement of personnel for normal daily operations as well as for rescue response to provide adequate services for both Molokai and Lanai islands.

Fire Captain **February 16, 2014, to July 31, 2017**

Upgraded to Battalion Chief as needed: Served island wide coverage of Battalion I which consisted of Central Maui, Upcountry, Kihei - Makena, Hana and Kahoolawe. The Battalion II district consisted of West Maui (from Wailuku - Lahaina - Kapalua) including islands of Molokai and Lanai. Managed manpower shortage by addressing overtime, relocated firefighting personnel for coverage and contacted off duty personnel when needed. Responded to large incidents involving multi-companies to manage and aid in direction and control of responders to emergency situations at a strategic level.

Administrative Duties: Managed crew at Makawao Fire Station (Engine 5) and Kaunakakai Fire Station (Engine 4), ensured all training and certifications were achieved. Organized, coordinated and documented required training drills.

Developed rapport with subordinates through good communication and delegation of work assignments. Coordinated and managed support agencies (medics, police, park rangers, helicopter pilots, heavy equipment operators) at a task level while maintaining an objective strategy at a strategic level. Completed in-depth reports about incidents for proper documentation to address liability, trends for statistical usage, and to determine root-cause. Attended staff meetings as directed.

Fire Suppression and Incident Mitigation: Responded to and managed at the scene of structure fires, brush fires, motor vehicle accidents, lost and missing persons, medical emergencies and other fire company level assignments. Coordinated with multi-company incidents to mitigate and direct assignments to establish control of responders in emergency situations at a task level.

Health and Safety Bureau: Responsible for the wellbeing of all department personnel and their personal protective equipment (PPE). Complied with OSHA and HIOSH requirements to ensure health and safety standards were met for our members. Documented all Hazardous Material exposures. Coordinated Medical First Responder, CPR, AED, Blood borne Pathogen procedures and training, for all departmental members. Responsible for up-to-date information of procedures and equipment in regards to fire fighter safety and health.

Fire Fighter III

July 1, 1998 to February 15, 2014

Fire Prevention Bureau, Fire & Arson Investigator: Thoroughly trained to understand fire behaviors and conditions to determine its origin and cause. Documented circumstances of combustion for litigation and prosecution throughout the County of Maui. Worked with the Department of the Prosecuting Attorney and Department of Corporation Counsel to establish adequate documentation for successful litigation.

Fire Prevention Bureau, Fire Inspector: Expert knowledge of applicable codes and standards performed daily inspections of commercial properties and business establishments, to include State facilities such as hospitals and schools. Consulted with developers associated with plans review for commercial development.

Fire Apparatus Operator / Engineer: Assigned to Wailuku Fire Station (Engine 1), responded to diverse requests for emergency assistance including; a high volume of motor vehicle accidents, medical aid at residential and commercial establishments. Numerous mountain and ocean rescue incidents. Duties include being knowledgeable and familiar with streets, buildings, water supplies and hydrant systems and the topography of the entire district.

Fire Fighter II

November 1, 1995 to June 30, 1998

Fire Fighter II: As a specialized technician (Haz-Tech) a Fire Fighter II is capable of many specific tasks beyond that of a Fire Fighter I. Having knowledge and experience of intricate rescue systems, being able to improvise in emergency situations, working together as a team and relying on past experience is vital to the position.

Fire Fighter I

August 1, 1991 to October 31, 1995

Fire Fighter I: As a working Fireman, this position requires the obedience and loyalty for the successful operation of any incident. It mandates the understanding and mastery of all firefighting skills at the task level.

Being able to predict work assignments and having the capability of carrying out those assigned tasks with little or no supervision is essential. Being reliable and having good communication skills is a valuable asset for this position.

Police Officer II / Traffic Accident Investigator

May 1988 to July 1991

As a certified motor vehicle accident investigator, with assignments to all major motor vehicle accidents involving death and near-death occupants or victims. Comprehensive and thorough investigation of the involved vehicles to include accident reconstruction may be necessary for proper and accurate conclusion for successful prosecution. Traffic officers are also tasked with daily traffic enforcement of impaired driver (DUI) detection and implementation.

Police Officer I

April 1985 to May 1988
