Dear Dr. Char:

**SUBJECT: ANNUAL COMPLIANCE REPORT ON THE CHANGE IN
ZONING FOR WAILEA 670 (ORDINANCE 3554)**
(PSLU-54(2))

At its meeting on September 9, 2020, the Planning and Sustainable Land Use Committee discussed the annual compliance report for the Wailea 670 project. The project must comply with zoning conditions under Ordinance 3554. Condition 20 requires submitting annual water quality data to the Department of Health for use in the State's Integrated Report of Assessed Waters.

The landowner's latest annual compliance report on the conditions of Ordinance 3554 is available online: <https://tinyurl.com/y3h45y46>.

May I please request you advise whether the water quality data is being submitted annually in compliance with Condition 20. In your response, please include all water quality data reports submitted by the landowner.

May I please request a response by **October 16, 2020**. To ensure efficient processing, please include the relevant Committee item number in the subject line of your response.
