9. Grantee assures Agency that if it is required to formulate an Equal Employment Opportunity Program in

accordance with 28 C.F.R. §§ 42.301 et seq. it will submit a certification to Agency that a current program is on file.

10. Grantee shall maintain accounting procedures and practices acceptable to Agency, and books, records, documents and other evidence which sufficiently, accurately and properly reflect all direct and indirect expenditures and all interest or other income earned as the result of funds provided pursuant to this Contract. Grantee shall ensure that its own books, records, and documents are available for inspection, reviews or audits at all reasonable times by Agency or the United States Department of Justice. In addition, Grantee shall prepare and submit to the Agency reports in such form and at such times as Agency or the Bureau of Justice Assistance may require. Grantee shall submit quarterly financial reports fifteen (15) calendar days after the end of each calendar quarter. 12. Any funds provided to Grantee under this Contract which are unencumbered on the date this Contract terminates shall be returned to Agency; all funds provided under this Contract which are encumbered but not disbursed within sixty (60) days after this Contract terminates shall be returned to Agency.

13. Grantee shall submit progress reports as required for the Act funds to Agency as stipulated under Part IV. of the Application for Grant, Attachments, Acceptance of JAG Special Conditions.

14. If so required by Agency, Grantee shall certify to Agency that any expendable or nonexpendable personal property purchased or acquired with funds received under this Contract will be used for criminal justice purposes before title in such property may vest in Grantee. Grantee shall submit a certification to Agency within thirty (30) days after the date this Contract terminates. If a certification is not provided by Grantee, title to any personal property purchased or acquired with funds received under this Contract shall vest in Agency and such personal property shall be delivered to the Agency in good

working order upon expiration or sooner termination of this Contract.

D. PERSONNEL.

1. Grantee shall secure at its own expense all personnel required to perform the services required under this Contract. All such personnel shall not be considered employees of, or have any contractual relationship with the State of Hawaii unless Grantee is otherwise an agency of the State.

2. Grantee shall ensure that none of the work or services to be provided under this Contract shall be subcontracted or assigned without the prior written approval of Agency.

E. SUBCONTRACTS.

Grantee may provide some or all of the services required under this Contract by subcontract provided that Grantee secures the prior written consent of Agency. In the event Grantee enters into a subcontract with a private organization to perform any of the services or activities required under this Contract, Grantee agrees that the period of each subcontract shall not exceed the term of this Contract, and funds to the private organization will not be released unless and until the requirements set forth in applicable state law and

implementing rules are complied with by the subcontractor. All subcontracts shall include provisions to ensure that Grantee is capable of satisfying the requirements of this Contract. All subcontracts shall be reduced to writing and shall include all provisions of this Contract required of Grantee.

F. SERVICES AS INDEPENDENT CONTRACTOR.

1. In the performance of the services required under this Contract, Grantee shall be an independent contractor with the authority to control and direct the performance and details of the work and services required under this Contract; however, Agency shall have the right to inspect work in progress to determine whether, in Agency's opinion, the work is being performed by Grantee in accordance with the provisions of this Contract. All persons hired or used by Grantee shall be Grantee's agents and employees and Grantee shall be responsible for the accuracy, completeness, and adequacy of any and all work and services performed by its agents and employees. Furthermore, Grantee intentionally, voluntarily, and knowingly assumes the sole and entire liability if such liability is determined to exist, to its agents and employees or to third persons, for all loss, cost, damage or injury caused by Grantee's agents and employees in the course of their employment. The performance of work under this Contract alone shall not be construed as

employment with the State of Hawaii and shall not entitle Grantee's agents and employees to vacation, sick leave, retirement, or other benefits directly afforded state employees by statutes. Grantee shall be responsible for payment of all applicable federal, state, and county fees which may become due and owing by the Grantee by reason of the Contract, including but not limited to (i) income taxes, (ii) employment related fees, assessments and taxes and (iii) general excise taxes. The Grantee also is responsible for obtaining all licenses, permits and certificates that may be required in order to perform this Contract.

2. This section shall not be applicable if Grantee is an agency of the State of Hawaii.

G. COMPENSATION.

1. Subject to continuing availability of funds, Agency agrees to pay Grantee, for services satisfactorily performed under this Contract, a sum not to exceed thirty-six thousand two hundred and 00/100 dollars (\$36,200.00) to be spent for the purposes of this Contract. This sum represents any and all compensation to be paid to Grantee for any and all services it provides, and for any and all travel costs, materials, supplies, equipment, overhead, taxes, and other incidentals and

operating expenses which it incurs or may incur in connection with this Contract.

2. It is covenanted and agreed by and between the parties hereto that, as to the portion of the obligation under this Contract to be payable out of federal funds, this Contract shall be construed to be an agreement to pay such portion to the Grantee only out of federal funds to be received from the federal government when the federal funds are so received and shall not be construed as a general agreement to pay such portion at all events out of any funds other than those which are received from the federal government.

H. METHOD OF PAYMENT.

1. All funds available for use under this Contract shall be subject to the allotment system as provided in Chapter 37, Hawaii Revised Statutes.

2. Payments to Grantee under this Contract shall be made in accordance with and subject to the following provisions:

a. Payments shall be made monthly upon receipt of Grantee's completed request for funds.

b. All payments shall be made in accordance with and subject to Chapter 40, Hawaii Revised Statutes, which specifies the accounting procedures and controls

applicable to payments out of the Treasury of the State of Hawaii.

c. If an amount of reported expenditures is preliminarily determined by Agency to be inappropriate and unallowable, Agency may deduct an equivalent amount from the next payable installment and may withhold payment of the amount of the moneys equivalent to the questioned expenditures until later resolution of the discrepancy by audit or other means. If, after payment of the last installment, investigation and examination reveal additional expenditures that are determined by Agency to be inappropriate and unallowable, Agency may require that an equivalent amount of moneys be refunded to Agency notwithstanding Agency's preliminary determination of appropriateness and allowability.

d. Failure to submit required reports by the applicable deadline will result in the withholding of payments until such time as the reports are received by Agency. Grantee shall continue to provide the services, programs and activities during the period that payments are being withheld.

I. INDEMNIFICATION.

1. It is strictly understood that the State of Hawaii shall in no way be held liable for any damages, cause of action or suits resulting from the acts, activities, or

omissions of Grantee. Grantee shall indemnify and save harmless the State of Hawaii, Agency, and their officers, agents, and employees from and against any and all liability, loss, actions, claims, suits, damages, costs or expenses, including all attorneys' fees, and all claims, suits, and demands therefor, arising out of or resulting from the acts or omissions of Grantee, its officers, employees, agents, or subcontractors occurring during or in connection with the performance of Grantee's services under this Contract, or arising out of or resulting from breach of this Contract by Grantee. Grantee shall defend the State of Hawaii, Agency, and their officers, agents, and employees against any such action or claim unless the action or claim involves an act or omission solely of Agency, its officers, agents, or employees.

2. This section shall not be applicable if Grantee is an agency of the State of Hawaii.

3. The County of Maui will indemnify the State of Hawaii, Agency, and their officers, agents, and employees to the extent permitted by law, and it is understood that payment is subject to approval by the county council/or city council, as the case may be.

J. CONFIDENTIAL MATERIAL.

Any information, data, report, record, summary, table, map, or study given to or prepared or assembled by Grantee under this Contract which is identified as proprietary or confidential information that Agency requests to be kept confidential shall be safeguarded by the Grantee and shall not be made available to any individual or organization other than any subcontractor to which the material may relate, without prior written approval of Agency. Grantee shall submit a completed Privacy Certification for review and approval prior to the expenditure of funds for the collection of identifiable research/statistical data. All information, data, or other material provided by the Grantee or the Agency shall be kept confidential only to the extent permitted by law. Grantee shall comply with the requirements of Chapters 487J, 487N and 487R, Hawaii Revised Statutes as applicable.

K. COPYRIGHT AND PATENT.

The Agency shall have complete ownership of all material, both finished and unfinished, which is developed, prepared, assembled, or conceived by the Grantee pursuant to this Contract, and all such material shall be considered "works made for hire." No summary, report, map, chart, graph, table, study or other documents or discovery, invention, or development produced in whole or in part with funds made available under

this Contract shall be the subject of an application for copyright or patent by or on behalf of Grantee, its officers, agents, or its employees, or its subcontractors without prior written authorization from Agency. To the extent that any material, summary, report, map, chart, graph, table, study, or other documents, or discovery, invention, or development under this Contract is not recognized as a "work made for hire" as a matter of law, Grantee hereby assigns to the Agency any and all copyrights in and to the material.

L. MODIFICATION OF CONTRACT.

Any modification or change in any term, provision, or condition of this Contract shall be made by written amendment signed by both the Grantee and the Attorney General; provided, however, that the Administrator of the Crime Prevention and Justice Assistance Division or the Administrator's designee (hereinafter, "CPJA Administrator") may, on the Agency's behalf and to the extent permitted by law, approve the following when requested by the Grantee: (a) changes to the budget categories set forth in Part III of Exhibit A, provided that there is no change to the total compensation under this Contract; and (b) extensions of the Grantee's Time of Performance, provided that there is no change to the total compensation under this Contract. Any such

requests by the Grantee shall be submitted in writing to the Agency no later than forty-five (45) days before the Contract would otherwise terminate and, if approved, shall be effective as of the date approved by the CPJA Administrator.

M. CONFLICT OF INTEREST.

Grantee represents that it presently has no interest and promises that it shall not acquire any interest, direct or indirect, that would conflict in any manner or degree with the performance of the services under this Contract.

N. TERMINATION OF CONTRACT.

1. If, for any cause, Grantee refuses or fails to satisfactorily fulfill in a timely or proper manner its obligations under this Contract or any extension thereof, or if Grantee breaches any of the promises, terms or conditions of this Contract and, having been given reasonable notice of and opportunity to cure any such default, fails to take satisfactory corrective action within the time specified by Agency, Agency shall have the right to terminate this Contract by giving written notice to Grantee of such termination ten (10) calendar days before the effective date of such termination. The Grantee shall continue performance of the Contract to the extent it is not terminated. Notwithstanding termination of the Contract,

and subject to any directions from the Agency, the Grantee shall take timely, reasonable, and necessary action to protect and preserve property in the possession of the Grantee in which the Agency has an interest.

2. Furthermore, Agency may terminate this Contract without statement of cause at any time by giving written notice to Grantee of such termination at least thirty (30) calendar days before the effective date of such termination.

3. In the event of termination of either type, all finished or unfinished documents, reports, summaries, lists, charts, graphs, maps, or other written material prepared by Grantee, under this Contract shall, at the option of Agency, become Agency's property and, together with all information, data, reports, records, maps, and other materials (if any) provided to Grantee by Agency, shall be delivered and surrendered to Agency on or before the effective date of termination.

4. Grantee shall be entitled to receive only such compensation as shall have been satisfactorily earned prior to the effective date of termination. Agency shall determine the amount of work satisfactorily completed and the amount of compensation satisfactorily earned. If the termination is for cause, any other provisions to the contrary notwithstanding,

Grantee shall not be relieved of liability to Agency for damages sustained by Agency because of any breach by Grantee of this Contract.

O. WAIVER.

The failure of the Agency to insist upon strict compliance with any term, provision, or condition of this Contract shall not constitute or be deemed to constitute a waiver or relinquishment of the Agency's right to enforce the same in accordance with this Contract. It is expressly understood and agreed that no waiver granted by Agency on account of any violation of any promise, term or condition of this Contract shall constitute or be construed in any manner as a waiver of the promise, term or condition or of the right to enforce the same as to any other or further violation.

P. DISPUTES; GOVERNING LAW; VENUE.

Any dispute concerning a matter of fact arising under this Contract or any subcontract, which is not disposed of by mutual agreement within fifteen (15) calendar days, shall be decided by the Attorney General, or the Attorney General's duly designated representative, who shall reduce the decision to writing and mail or otherwise furnish a copy of the decision to Grantee. The decision of such person shall be final and

conclusive. Pending final decision of such dispute, Grantee shall proceed diligently with the performance of this Contract in accordance with Agency's request. The validity of this Contract and any of its terms or provisions, as well as the rights and duties of the parties to this Contract, shall be governed by the laws of the State of Hawaii. Except as otherwise provided in this Section, any action to enforce this Contract or for breach of this Contract shall be brought only in a State court of competent jurisdiction in Honolulu, Hawaii.

Q. ADDITIONAL CONDITIONS.

Additional conditions may be imposed upon Grantee by reducing them to writing and designating them as exhibits to this Contract. Any such exhibit shall be attached hereto and thereby incorporated herein.

IN WITNESS WHEREOF, the parties hereto have executed this Contract.

PART II. DESCRIPTION OF PROJECT

A. THE PROBLEM

The Maui County Police Department's increased ability to find and capture physical evidence in the least destructive manner possible and to provide high quality, timely results is hampered by its current available resources. In 2018, we processed 522-evidence items involved in 38-cases. Traditional methods reveal an average of 3% useable fingerprint evidence on firearms and related evidence. Current procedures for non-destructive latent print processing involve search with ambient light, two wavelengths of forensic light sources, followed by physical processing by use of powders, then chemical processing through sequentially-designed methods which ultimately can alter or destroy the original condition of the evidence. In 2018 we processed 44-cases involving non-firearm evidence (drug paraphernalia and drug packaging's comprising the majority), resulting in 102-fingerprint recoveries (78-lifts and 24-digital images) with 26-useable fingerprints. The forensic laser system will more effectively provide non-destructive detection to the process through use of an extremely bright monochromatic light source (as compared to a filtered lamp) producing a very high concentration of color, with zero out-of-band light. Current forensic light source (ALS/LED) illumination produces broader spectrum light at lower power - yielding lower contrast and definition. Additionally, ALS lamps are generally only effective in darkened locations, whereas lasers can be used in higher ambient light conditions and have powerful zoom capabilities. In 2018 we conducted GSR recoveries for 21-cases involving the discharge of firearms, and we conducted searches for trace evidence on clothing/surfaces for 9-cases. Detection of trace evidence provides the foundation for investigations: if the evidence is not seen, then it is often not collected; missed evidence serves no function in defining the nature of the event being investigated.

The need for better quality equipment for use at crime scenes has been recognized. Our current forensic light sources are effective in detecting most hidden evidence at crime scenes (e.g. trace evidence, biological fluids, etc.) – using a wide band of excitement light at low intensity, in turn generating a low level of fluorescence. A dual beam laser system creates a more powerful, pure beam focus concentrated within 1-nanometer – producing superior fluorescent sensitivity. The blue laser will enhance detection of trace evidence, biological fluids (urine, semen and saliva), as well as providing fluorescence for latent fingerprint powders and a variety of chemical methods for visualization. The green laser will allow not only processing and documenting evidence, but also enhancing detection of untreated latent fingerprints and trace evidence (shoeprints, hairs, fibers and bone/tooth fragments), making this extremely useful in both the lab and in the field. The initial phase of this project involved purchase of full spectrum imaging system with FY17 JAG funds to be used in the laboratory setting to improve our ability to detect and capture physical evidence in the least destructive manner possible, using light from the ultraviolet to the infrared portions of the magnetic spectrum. Due to operational

processing by use of powders, then chemical processing through sequentially-designed methods which ultimately can alter or destroy the original condition of the evidence. In 2018 we processed 44-cases involving non-firearm evidence (drug paraphernalia and drug packagings comprising the majority), resulting in 102-fingerprint recoveries (78-lifts and 24-digital images) with 26-useable fingerprints.

3. To increase the number of cases with trace evidence on clothing/scene surfaces from 9 cases to 20.
4. Increase the number of analysts that are trained in the utilization of this forensic dual laser system from zero to three.
 - The Forensics/Identification Unit team members (3 people) will receive hands-on, on-site instruction from provided by Unit Supervisor, Anthony EARLES.
5. Increase the knowledge Forensic Unit team members have about the forensic dual laser system by verifying competence and successful utilization of the system through validation tests.

C. PROJECT ACTIVITIES

Our Crime Scene Unit has been actively searching through various technologies and investigating forensic laser systems since 2013 - after participation in a class hosted at Hawaii Department of Public Safety's Narcotics Enforcement Division, with earlier exposure since 2007 by participating in professional association tradeshow, educational sessions at conferences, and participating in hands-on classes involving the use of lasers in forensics. We have been in discussions with neighboring departments who have conducted similar pursuits, and ultimately purchased and successfully implemented a forensic laser system in their protocols.

Following the purchase of a forensic laser system, we will conduct in-house hands-on training sessions for the three Police Evidence Specialists. Success of the training will be documented by internal validation studies completed by each user prior to use on actual evidence items.

Items/crime scenes processed with the forensic laser system will be tracked and documented throughout analyses to provide data for comparison to project objectives.

Equipment to be purchased in May 2020 (if funding is secured): dual wavelength kit includes: 10-watt blue and 8-watt green laser system, rugged carry case, SMART Li-Ion batteries, battery charger, one auxiliary DC power supply input, laser goggles.

Schedule: within 1-month of delivery (June 2020) of the purchased forensic laser system to our Forensic Facility, the crime scene unit supervisor (Police Evidence Specialist III) will conduct the on-site training (July 2020). Within the following month (August 2020), internal validation studies will be completed by our team members to verify competence

and successful utilization of the system. Use of the laser on actual case evidence items will begin the third month (September 2020) following delivery of the system to MPD, including documentation of system uses within a database to track measurements of objectives.

D. PROJECT ORGANIZATION AND MANAGEMENT

The Project Director, Anthony EARLES, Police Evidence Specialist III, will coordinate the execution of the project once funding has been secured by Fiscal Officer, Lesley Ann UEMAE, Accountant II. A dedicated accounting code will be set up by the County of Maui Director of Finance. The execution of the project will involve procurement of a forensic laser system, delivery to the Maui Police Department, incorporation into crime scene unit inventory at the Forensic Facility, coordination of the on-site training for all system users, monitoring of internal validation performance checks, formulation and implementation of the related departmental procedures, and monitoring of the data collected as applicable to the performance measures of the objectives.

The forensic laser system will be located in the County of Maui's Forensic Facility, 1831 Wili Pa Loop, Wailuku, HI 96793, where the Forensics/Identification Unit is located. The Unit is part of Criminal Investigations Division, Investigative Services Bureau of the Maui County Police Department. The Project Director reports to the Commander of Criminal Investigations Division, Captain Clyde HOLOKAI. The Fiscal Officer reports to MPD Business Administrator, Ms. Melissa MAGONIGLE.

E. PERSONNEL

No additional staff is needed for this project.

G. PARTICIPATING AGENCIES

The forensic laser system will be operated/maintained by members of the Maui Police Department's Criminal Investigations Division: Forensics/Identification Unit.

H. PERFORMANCE INDICATORS/OUTCOME MEASURES

1. To increase the number of latent fingerprints detected on firearms-related evidence from 4 recoveries and 2 useable fingerprints to 8 recoveries and 4 usable fingerprints.
 - Number of latent fingerprints detected on firearms-related evidence using the forensic laser.
 - Data will be maintained during the project period to track the number of firearms-related evidence items being processed with the forensic dual laser system, as well as the number(s) of fingerprint(s) detected and documented on each item. Implementation goal using the laser system is to recover/document 8-fingerprints on firearms/ammunition, with 4-useable fingerprints generated.
2. To increase the number of latent fingerprints detected on non-firearm evidence items/crime scenes from 102 recoveries with 26 usable fingerprints to 204 recoveries and 52 usable fingerprints.
 - Number of fingerprints detected on non-firearm evidence using the forensic laser.
 - Data will be maintained during the project period to track the number of evidence items being processed with the forensic dual laser system, as well as the number(s) of fingerprint(s) detected and documented on each item. Implementation goal using the forensic dual laser system is to recover/document #-fingerprints on non-firearm evidence (drug paraphernalia and drug packagings comprising the majority), resulting in 204-fingerprint recoveries (digital images) with 52-useable fingerprints.
3. To increase the number of cases with trace evidence on clothing/crime scene surfaces from 9 cases to 20.
 - Number of cases with trace evidence on the clothing/crime scene surfaces.
4. Increase the number of analysts that are trained in the utilization of this forensic dual laser system from zero to three.
 - Number of analysts trained on the use of the forensic laser system, evident by training order and sign in sheet.

5. Increase the knowledge Forensic Unit team members have about the forensic dual laser system by verifying competence and successful utilization of the system through a validation test.
 - Number of team members that report competence in the use of the forensic dual laser system evident by the training session results.
 - Number of team members that pass the competence exam/validation study.

The Project Director, Mr. Anthony EARLES, will be responsible for data collection and reporting accordingly as required. All data will be collected and entered into an excel data worksheet. A dedicated database will be developed to easily track data. Output measures will include the total number of items searched with the forensic dual laser system, the number of positive results (fingerprint ridge details or trace evidence), the results of associated forensic analyses due to the evidence items being detected by use of the forensic dual laser system (AFIS, trace evidence analyses, etc.), and other related highlights produced by use of the forensic dual laser system (confessions, court pleas, etc.) during the project period, if the information becomes available.

The Edward Byrne Memorial Justice Assistance Grant (JAG) Performance Measures:

The Edward Byrne Memorial Justice Assistance Grant (JAG) requires grantees to report on specific Performance Measures for project activities. Refer to <https://ojpsso.ojp.gov>, to locate the performance measures to be reported on for this project Authorized purpose area.

I. PROBABILITY TO IMPROVE THE CRIMINAL JUSTICE SYSTEM AND SUSTAINABILITY PLAN

The implementation of technology to detect evidence that may have gone undetected is vital to improving the scientific evidence that is used throughout the criminal investigations and judicial processes. The historical significance and uniqueness of fingerprints is proven to expedite court proceedings, if not avoiding trials all together. Criminal cases are built upon foundations of facts - physical evidence being the strongest, most reliable and convincing. Physical evidence presents itself as remnants of the crime scene, to be combined with possible testimonial evidence during presentation to courts. Identification of suspects within a scene are solidified by presence of fingerprints and/or DNA in the vicinity of other evidence of the crime, particularly when the suspect has no authorized access to said area. Expediting sentencing will remove possible additional criminal acts against our communities by bringing justice to the victims quickly and responsibility for actions to those who have committed crimes. Historical research indicates that those who commit property crimes may escalate their criminal activities and commit more serious offenses if left undeterred. Forensic laser systems were first used by Canadian law enforcement in 1977 for the first time in detection of latent fingerprints without physical powders or chemicals. Chemical uses didn't appear until 1983, so for the first 6-years of laser use, all successes were untreated, naturally

fluorescing prints. Maui County must join the internationally-recognized forensic examiners who use laser technology routinely as part of their methodology to extract the most evidence in the least destructive manners from every scene. Our community depends on our progressive approach to enhance our efforts, to evolve with advances in criminal mindsets, and to provide the optimum results that jurors can consider in their determinations within our judicial system.

The forensic laser system is self-sustaining: once purchased, there will only be low-cost batteries to replace throughout the life of the system. These systems provide years of service for numerous agencies. Maui Police Department will be responsible for any costs beyond the 5-year manufacturer's warranty on the system and 2-years or 5,000 hours on the laser sources.

ACCEPTANCE OF JAG SPECIAL CONDITIONS

The undersigned Grantee understands and agrees, on behalf of its agency that:

1. Requirements of the Award; Remedies for Non-Compliance or for Materially False Statements

The conditions of this award are material requirements of the award. Compliance with any certifications or assurances submitted by or on behalf of the Grantee that relate to conduct during the period of performance also is a material requirement of this award.

Failure to comply with any one or more of these award requirements -- whether a condition set out in full below, a condition incorporated by reference below, or a certification or assurance related to conduct during the award period -- may result in CPJAD taking appropriate action with respect to the Grantee and the award. Among other things, CPJAD may withhold award funds, disallow costs, or suspend or terminate the award. The Department of Justice and CPJAD also may take other legal action as appropriate.

Any materially false, fictitious, or fraudulent statement to the state and/or federal government related to this award (or concealment or omission of a material fact) may be the subject of criminal prosecution (including under 18 U.S.C. 1001 and/or 1621, and/or 34 U.S.C. 10271-10273), and also may lead to imposition of civil penalties and administrative remedies for false claims or otherwise (including under 31 U.S.C. 3729-3730 and 3801-3812).

Should any provision of a requirement of this award be held to be invalid or unenforceable by its terms, that provision shall first be applied with a limited construction so as to give it the maximum effect permitted by law. Should it be held, instead, that the provision is utterly invalid or unenforceable, such provision shall be deemed severable from this award.

2. Applicability of Part 200 Uniform Requirements

Grantee agrees to comply with the financial and administrative requirements set forth in 2 C.F.R. Part 200 and the current edition of the Department of Justice (DOJ) Grants Financial Guide.

Grantee understands and agrees that CPJAD may withhold award funds, or may impose other related requirements, if the Grantee does not satisfactorily and promptly address outstanding issues from audits required by the Part 200 Uniform Requirements (or by the

terms of this award), or other outstanding issues that arise in connection with audits, investigations, or reviews of CPJAD awards.

3. Reporting Requirements

Grantee shall comply with all reporting, data collection, and evaluation requirements, as prescribed by law and detailed by the BJA in program guidance for the Justice Assistance Grant Program.

Grantee shall complete BJA-required reports on-line using the Performance Measurement Tool (PMT). The on-line reporting system will require a username and password to log on. The username and password will be provided by CPJAD after the contract is executed. The PMT web address is: <https://ojpssso.ojp.gov/>

The BJA reporting periods and due dates are:

- January 1 - March 31 Due: April 15
- April 1 – June 30 Due: July 15
- July 1 - September 30 Due: October 15
- October 1 - December 31 Due: January 15

Any law enforcement agency receiving direct or sub-awarded JAG funding must submit quarterly accountability metrics data related to training that officers have received on the use of force, racial and ethnic bias, de-escalation of conflict, and constructive engagement with the public.

Grantee shall submit a Semi-Annual Progress Report to CPJAD every six (6) months following the calendar year. The progress report is to cover activities that the Grantee has completed during that reporting period.

The semi-annual reporting periods and due dates are:

- January 1 - June 30 Due: July 15
- July 1 - December 31 Due: January 15

A Final Progress Report is due 30 days after the project end date and should report cumulatively on the entire project period. The appropriate report form will be provided to each project by CPJAD (AG/CPJAD #20). The report shall contain information describing progress, accomplishments, activities, changes, and problems during the report period and any additional information specified by the CPJAD.

4. DOJ Regulations Pertaining to Civil Rights and Nondiscrimination

28 C.F.R. Part 38

Grantee, and any subgrantee at any tier, must comply with all applicable requirements of 28 C.F.R. Part 38, specifically including any applicable requirements regarding written

notice to program beneficiaries and prospective program beneficiaries. Part 38 of 28 C.F.R., a DOJ regulation, was amended effective May 4, 2016.

Among other things, 28 C.F.R. Part 38 includes rules that prohibit specific forms of discrimination on the basis of religion, a religious belief, a refusal to hold a religious belief, or refusal to attend or participate in a religious practice. Part 38 also sets out rules and requirements that pertain to grantee and subgrantee organizations that engage in or conduct explicitly religious activities, as well as rules and requirements that pertain to grantees and subgrantees that are faith-based or religious organizations.

The text of the regulation, now entitled “Partnerships with Faith-Based and Other Neighborhood Organizations,” is available via the Electronic Code of Federal Regulations (currently accessible at <http://www.ecfr.gov/cgi-bin/ECFR?page=browse>), by browsing to Title 28-Judicial Administration, Chapter 1, Part 38, under e-CFR “current” data.

28 C.F.R. Part 54

Grantee, and any subrecipient (“subgrantee”) at any tier, must comply with all applicable requirements of 28 C.F.R. Part 54, which relates to nondiscrimination on the basis of sex in certain “education programs.”

5. “Lobbying” Restrictions

In general, as a matter of federal law, federal funds may not be used by the Grantee, or any subrecipient (“subgrantee”) at any tier, either directly or indirectly, to support or oppose the enactment, repeal, modification, or adoption of any law, regulation, or policy, at any level of government. See 18 U.S.C. 1913. (There may be exceptions if an applicable federal statute specifically authorizes certain activities that otherwise would be barred by law.)

Another federal law generally prohibits federal funds awarded from being used by the Grantee, or any subrecipient at any tier, to pay any person to influence (or attempt to influence) a federal agency, a Member of Congress, or Congress (or an official or employee of any of them) with respect to the awarding of a federal grant or cooperative agreement, subgrant, contract, subcontract, or loan, or with respect to actions such as renewing, extending, or modifying any such award. See 31 U.S.C. 1352. Certain exceptions to this law apply, including an exception that applies to Indian tribes and tribal organizations.

Should any question arise as to whether a particular use of federal funds by a Grantee (or subrecipient) would or might fall within the scope of these prohibitions, the Grantee is to contact CPJAD for guidance, and may not proceed without the express prior written approval of CPJAD.

6. Reporting Potential Fraud, Waste, and Abuse, and Similar Misconduct

Grantee and any subrecipients (“subgrantees”) at any tier, must promptly refer to the DOJ Office of the Inspector General (OIG) any credible evidence that a principal, employee, agent, contractor, subcontractor, or other person has, in connection with funds under this award -- 1) submitted a claim that violates the False Claims Act; or 2) committed a criminal or civil violation of laws pertaining to fraud, conflict of interest, bribery, gratuity, or similar misconduct. Potential fraud, waste, abuse, or misconduct involving or relating to funds under this award should be reported to the OIG by:

Mail: Office of the Inspector General

Investigations Division

Hotline fax: (202) 616-9881

Additional information is available from the DOJ OIG website at
<https://oig.justice.gov/hotline>

7. 41 U.S.C. 4712 (Including Prohibitions on Reprisal; Notice to Employees)

Grantee must comply with, and is subject to, all applicable provisions of 41 U.S.C. 4712, including all applicable provisions that prohibit, under specified circumstances, discrimination against an employee as reprisal for the employee’s disclosure of information related to gross mismanagement of a federal grant, a gross waste of federal funds, an abuse of authority relating to a federal grant, a substantial and specific danger to public health or safety, or a violation of law, rule, or regulation related to a federal grant.

Grantee also must inform its employees, in writing (and in the predominant native language of the workforce), of employee rights and remedies under 41 U.S.C. 4712.

8. Federal Leadership on Reducing Text Messaging While Driving

Pursuant to Executive Order 13513, “Federal Leadership on Reducing Text Messaging While Driving,” 74 Fed. Reg. 51225 (October 1, 2009), the CPJAD encourages Grantees and Sub-grantees to adopt and enforce policies banning employees from text messaging while driving any vehicle during the course of performing work funded by this grant, and to establish workplace safety policies and conduct education, awareness, and other outreach to decrease crashes caused by distracted drivers.

9. Training(s)/Conference(s) Compliance

Grantee agrees to comply with all applicable laws, regulations, policies, and guidance (including specific cost limits, prior approval and reporting requirements, where applicable) governing the use of federal funds for expenses related to conferences, meetings, trainings, and other events. Information on pertinent laws, regulations, policies, and guidance is available in the DOJ Grants Financial Guide Conference Cost Chapter.

Grantee understands and agrees that any training or training materials developed or delivered with funding provided under this award must adhere to the OJP Training Guiding Principles for Grantees and Sub-grantees, available at <https://ojp.gov/funding/Implement/TrainingPrinciplesForGrantees-Subgrantees.htm>

10. Duplicate Award of Federal Funds

Grantee agrees that if it currently has an open award of federal funds or if it receives an award of federal funds other than this CPJAD award, and those award funds have been, are being, or are to be used, in whole or in part, for one or more of the identical cost items for which funds are being provided under this CPJAD award, the Grantee will promptly notify, in writing, the assigned Criminal Justice Planning Specialist for this CPJAD award, and, if so requested by CPJAD, seek a budget or project narrative modification to eliminate any inappropriate duplication of funding.

11. Information Technology Compliance

To avoid duplicating existing networks or IT systems in any initiatives funded by BJA for law enforcement information sharing systems which involve interstate connectivity between jurisdictions, such systems shall employ, to the extent possible, existing networks as the communication backbone to achieve interstate connectivity, unless the Grantee can demonstrate to the satisfaction of BJA that this requirement would not be cost effective or would impair the functionality of an existing or proposed IT system.

12. Restrictions and Certifications Regarding Non-Disclosure Agreements and Related Matters

No Grantee or subgrantee under this award, or entity that receives a contract or subcontract with any funds under this award, may require any employee or contractor to sign an internal confidentiality agreement or statement that prohibits or otherwise restricts, or purports to prohibit or restrict, the reporting (in accordance with law) of waste, fraud, or abuse to an investigative or law enforcement representative of a federal department or agency authorized to receive such information.

13. Prohibited Conduct Related to Trafficking in Persons

Grantee, and any subgrantee at any tier, must comply with all applicable requirements (including requirements to report allegations) pertaining to prohibited conduct related to the trafficking of persons, whether on the part of Grantees, subgrantees, or individuals defined (for purposes of this condition) as “employees” of the Grantee or of any subgrantee.

The details of the Grantee’s obligations related to prohibited conduct related to trafficking in persons are posted on the OJP web site at <https://ojp.gov/funding/Explore/ProhibitedConduct-Trafficking.htm> (Award condition: Prohibited conduct by grantees and subgrantees related to trafficking in persons (including reporting requirements and OJP authority to terminate award)), and are incorporated by reference here.

14. General Appropriations-Law Restrictions

Grantee, and any subgrantee at any tier, must comply with all applicable restrictions on the use of federal funds set out in federal appropriations statutes. Pertinent restrictions, including from various “general provisions” in the Consolidated Appropriations Act, 2018, are set out at <https://ojp.gov/funding/Explore/FY18AppropriationsRestrictions.htm> and are incorporated by reference here.

Should a question arise as to whether a particular use of federal funds by a Grantee or subgrantee would or might fall within the scope of an appropriations-law restriction, the grantee is to contact CPJAD for guidance, and may not proceed without the express prior written approval of CPJAD.

15. Requirements to Report Actual or Imminent Breach of Personally Identifiable Information (PII)

Grantee shall have written procedures in place to respond in the event of an actual or imminent “breach” (OMB M-17-12) of “personally identifiable information” (PII) (2 CFR 200.79), if Grantee 1) creates, collects, uses, processes, stores, maintains, disseminates, discloses, or disposes of such “personally identifiable information” within the scope of the grant-funded program or activity, or 2) uses or operates a “Federal information system” (OMB Circular A-130).

Grantee’s response procedures must include a requirement to report by email actual or imminent breach of PII to the assigned CPJAD grant manager and to hawaiiag@hawaii.gov no later than 12 hours after an occurrence of an actual breach, or the detection of an imminent breach, with the date and time of the breach or detection of an imminent breach, description of actual or imminent breach, project number, project title, name of Grantee, and Grantee contact information.

16. Integrity and Leadership Online Training for Task Force Projects

Grantee agrees that within 60 days of award for any law enforcement task force receiving these funds, the task force commander, agency executive, task force officers, and other task force members of equivalent rank, will complete required online (internet-based) task force training to be provided free of charge through the BJA's Center for Task Force Integrity and Leadership (www.ctfli.org). This training will address task force performance measurement, personnel selection, and task force oversight and accountability. When BJA funding supports a task force, a task force personnel roster should be compiled and maintained, along with course completion certificates, by the Grantee. Additional information will be provided by BJA regarding required training and access methods via BJA's web site and Center for Task Force Integrity and Leadership.

The prospective lower tier participant shall provide immediate written notice to the person to which this proposal is submitted if at any time the prospective lower tier participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

4. The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transaction," "participant," "person," "primary covered transaction," "principal," "proposes," and "voluntarily excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of rules implementing Executive Order 12549.

INSTRUCTIONS

Completing the Certification Form Compliance with the Equal Employment Opportunity Plan (EEOP) Requirements

The federal regulations implementing the Omnibus Crime Control and Safe Streets Act (Safe Streets Act) of 1968, as amended, require some recipients of financial assistance from the U.S. Department of Justice subject to the statute's administrative provisions to create, keep on file, submit to the Office for Civil Rights (OCR) at the Office of Justice Programs (OJP) for review, and implement an Equal Employment Opportunity Plan (EEOP). *See* 28 C.F.R. pt. 42, subpt. E. All awards from the Office of Community Oriented Policing Services (COPS) are subject to the EEOP requirements; many awards from OJP, including awards from the Bureau of Justice Assistance (BJA), the Office of Juvenile Justice and Delinquency Prevention (OJJDP), and the Office for Victims of Crime (OVC) are subject to the EEOP requirements; and many awards from the Office on Violence Against Women (OVW) are also subject to the EEOP requirements. If you have any questions as to whether your award from the U.S. Department of Justice is subject to the Safe Streets Act's EEOP requirements, please consult your grant award document, your program manager, or the OCR.

Recipients should complete *either* Section A *or* Section B *or* Section C, not all three. If recipient completes Section A *or* C and sub-grants a single award over \$500,000, in addition, please complete Section D.

Section A

The regulations exempt some recipients from all of the EEOP requirements. Your organization may claim an exemption from all of the EEOP requirements if it meets any of the following criteria: it is a nonprofit organization, an educational institution, a medical institution, or an Indian tribe; *or* it received an award under \$25,000; *or* it has less than fifty employees. To claim the complete exemption from the EEOP requirements, complete Section A.

Section B

Although the regulations require some recipients to create, maintain on file, and implement an EEOP, the regulations allow some recipients to forego submitting the EEOP to the OCR for review. Recipients that (1) are a unit of state or local government, an agency of state or local government, or a private business; *and* (2) have fifty or more employees; *and* (3) have received a single grant award of \$25,000 or more, but less than \$500,000, may claim the limited exemption from the submission requirement by completing Section B. In completing Section B, the recipient should note that the EEOP on file has been prepared within twenty-four months of the date of the most recent grant award.

Section C

Recipients that (1) are a unit of state or local government, an agency of state or local government, or a private business, *and* (2) have fifty or more employees, *and* (3) have received a single grant award of \$500,000 or more, must prepare, maintain on file, *submit to the OCR for review*, and implement an EEOP. Recipients that have submitted an EEOP Utilization Report (or in the process of submitting one) to the OCR, should complete Section C.

Section D

Recipients that (1) receive a single award over \$500,000; *and* (2) subaward a single award of \$500,000 or more must provide a list; including, name, address and DUNS # of each such sub-recipient by completing Section D.
