Committee
Report No. 16-150

Honorable Chair and Members
of the County Council
County of Maui
Wailuku, Maui, Hawaii

Chair and Members:

Your Infrastructure and Environmental Management Committee, having met on September 12, 2016, makes reference to County Communication 16-187, from the Director of Public Works, transmitting a proposed bill entitled "A BILL FOR AN ORDINANCE AMENDING SECTION 10.60.042, MAUI COUNTY CODE, RELATING TO CROSSWALKS ESTABLISHED."

The purpose of the proposed bill is to establish a mid-block crosswalk fronting Kihei Holiday Resort, located at 483 South Kihei Road, approximately 1,525 feet south of Ohukai Road, Kihei, Maui, Hawaii.

Your Committee noted the Public Works Commission unanimously recommended approval of the proposed bill at its meeting of December 16, 2015.

The Director of Public Works said the crosswalk request was prompted by residents and visitors of Kihei Holiday Resort and other neighboring condominiums who use the beach access across the street. Establishing a crosswalk in this area would provide a safe way for individuals to cross South Kihei Road. Your Committee noted the nearest crosswalks are located approximately seven hundred feet away on the north and south sides of Kihei Holiday Resort.

Your Committee agreed the crosswalk will address safety issues for pedestrians traversing South Kihei Road. However, your Committee voiced concerns over potential liability to the County since the beach access is located on State property.

Committee
Report No. 16-150

Your Committee requested the State Department of Land and Natural Resources and an organization in South Maui that handles coastal dune restoration be contacted to confirm maintenance responsibility for the beach access, and to determine whether there may be changes to its location in the future.

The Director said signage will be placed on South Kihei Road to notify motorists of the crosswalk once it is installed. Department staff will need to evaluate site-specific data relating to road traffic and the number of pedestrians using the crosswalk to determine whether flashing devices are warranted.

Your Committee is in receipt of a revised proposed bill, approved as to form and legality by the Department of the Corporation Counsel, incorporating nonsubstantive revisions.

Your Committee voted 6-0 to recommend passage of the revised proposed bill on first reading and filing of the communication. Committee Chair Cochran, and members Baisa, Carroll, Crivello, Guzman, and White voted "aye." Committee Vice-Chair Hokama was excused.

Your Infrastructure and Environmental Management Committee **RECOMMENDS** the following:

1. That Bill _____ (2016), as revised herein and attached hereto, entitled "A BILL FOR AN ORDINANCE AMENDING SECTION 10.60.042, MAUI COUNTY CODE, RELATING TO CROSSWALKS ESTABLISHED," be PASSED ON FIRST READING and be ORDERED TO PRINT; and
2. That County Communication 16-187 be FILED.
