Dear Mr. Kapu:

**SUBJECT: MAUI COUNTY LEGISLATIVE PACKAGE (2019 MAUI  
COUNTY LEGISLATIVE PACKAGE) (PEA-4(2))**

At its meeting of October 29, 2018, the Maui County Council's Policy, Economic Development, and Agriculture Committee discussed the attached proposed resolution entitled "APPROVING FOR INCLUSION IN THE 2019 MAUI COUNTY LEGISLATIVE PACKAGE A STATE BILL TO ALLOW PRE-CONTACT NATIVE HAWAIIAN BURIAL SITES TO BE DEDICATED AS CEMETERIES."

The purpose of the proposed resolution is to approve for inclusion in the 2019 Maui County Legislative Package a proposed State bill, attached to the proposed resolution as Exhibit "A," entitled "A BILL FOR AN ACT RELATING TO CEMETERIES." The purpose of the proposed State bill is to define the burial sites of pre-contact native Hawaiians as cemeteries and to allow these sites to be dedicated as cemeteries under State law.

May I please request you review and provide your written comments on the proposed State bill, specifically addressing the following:

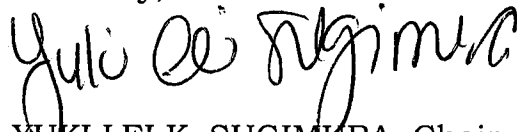

1. How would you define "pre-contact"?
2. How would lineal descendants of a native Hawaiian person interred in a pre-contact burial be identified?
3. Should it be necessary for records of remains interred within a pre-contact native Hawaiian burial to be kept?
4. If passed by the State Legislature, who do you envision will be responsible for handling this at the State level?

# A BILL FOR AN ACT

RELATING TO CEMETERIES.

**BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:**

1           SECTION 1. The legislature finds that current legislation  
2 does not define nor address Native Hawaiian burial areas that  
3 should be considered cemeteries. These may have been established  
4 as a result of pre-contact Native Hawaiian burial practices or  
5 severe declines in native population due to war, pestilence, or  
6 a natural disaster, and are not defined or treated as cemeteries  
7 under current State law.

8           Accordingly, the purposes of this Act are to define the  
9 burial sites of pre-contact Native Hawaiians as cemeteries and  
10 to allow these sites to be dedicated as cemeteries under State  
11 law.

12           SECTION 2. Section 441-1, Hawaii Revised Statutes, is  
13 amended by amending the definition of "cemetery" to read:

14           "Cemetery" means any property, or part interest therein,  
15 dedicated to and used or intended to be used for the permanent  
16 interment of human remains. It may be a burial park with one or  
17 more plots, for earth interment; a mausoleum with one or more  
18 vaults or crypt interments; a structure or place with one or

1 more niches, recesses, or other receptacles for the interment of  
2 cremated remains, or any combination of one or more thereof. It  
3 may also be pre-contact Native Hawaiian burial spaces that  
4 contain bones or bone fragments which may have been a  
5 traditional burial area or created by a battle or other severe  
6 decline in population that resulted in bodies remaining where  
7 they laid."

8 SECTION 3. Section 441-1, Hawaii Revised Statutes, is  
9 amended by amending the definition of "cemetery authority" to  
10 read:

11 "Cemetery authority" means any person who undertakes to  
12 establish, maintain, manage, operate, improve, or conduct a  
13 cemetery to inter human remains; or offers perpetual care of the  
14 cemetery; or sells or holds money in trust for pre-need  
15 interment services, whether or not the person undertakes such  
16 activity for profit; provided that this shall not apply to the  
17 designated trustee of the funds. For cemeteries consisting of  
18 pre-contact Native Hawaii burials, the cemetery authority shall  
19 be a lineal descendant of a Native Hawaiian person interred in a  
20 pre-contact burial in the cemetery or a member of an aha moku  
21 council."

1 SECTION 4. Section 441-1, Hawaii Revised Statutes, is  
2 amended by amending the definition of "cemetery property" to  
3 read:

4 "Cemetery property" means any property, or part or  
5 interest therein, dedicated to, used or intended to be used for,  
6 the permanent interment of human remains. It may be a plot or  
7 plots in a burial park for earth interment; a place or places in  
8 a mausoleum for vault or crypt interment; one or more niches,  
9 recesses, or other receptacles for the interment of cremated  
10 remains; or any combination of one or more thereof. It may also  
11 be burials that do not conform to modern burial practices due to  
12 pre-contact Native Hawaiian practices and protocols."

13 SECTION 5. Section 441-1, Hawaii Revised Statutes, is  
14 amended by amending the definition of "perpetual care" to read:

15 "Perpetual care" by whatever term denominated by a  
16 cemetery authority, including but not limited to endowment care,  
17 endowment fund care, and free maintenance, means keeping the sod  
18 in repair, keeping all places wherein interments have been made  
19 [~~in proper order~~], caring for the trees and shrubs, and the  
20 general maintenance, care, preservation and embellishment of a  
21 cemetery, regularly and continually without limitation as to  
22 time."

2 amended by amending subsection (b) to read as follows:

3 "(b) The cemetery authority shall also maintain a  
4 permanent, accurate record of the identity of each person whose  
5 remains are located in the cemetery, together with the  
6 corresponding unique identifier that indicates the location of  
7 the person's remains within the cemetery[-]; provided that no  
8 such record need be kept for remains interred within pre-contact  
9 Native Hawaiian burials. The records required by this section  
10 shall be prepared and maintained in a manner that will enable  
11 the cemetery authority to timely respond to inquiries from the  
12 public or the department regarding the location of a person's  
13 remains within the cemetery.

14 SECTION 7. Section 441-9, Hawaii Revised Statutes, is  
15 amended to read as follows:

8 pursuant to this chapter is not invalid as violating any laws  
9 against perpetuities or the suspension of the power of  
10 alienation of title to or use of property, but is expressly  
11 permitted and deemed to be in respect for the dead, recognizing
