Re: Proposed Bill 6.04.041 Feeding of Feral Animals Prohibited

Aloha Councilmember:

I am writing to you today as a citizen of the United States of America, and a resident of the State of Hawaii, County of Maui, TO VOICE MY OPPOSITION to the proposed bill **6.04.041 Feeding of Feral Animals Prohibited**.

The welfare of all species is one of my core concerns, and I feel that humane treatment of animals is the responsibility of the human race. By passing a ruling that insists that "NO person may feed or deliberately

introduce any food material, substance or attractant directly to, or in the vicinity of, any feral animal" you will place the citizens of Maui Council in an untenable position of making us all a party to terrible cruelty.

I support efforts to lower the numbers of feral cats on Maui by using the humane strategy of Trap Neuter Release (TNR). I implore you to commit to this science-backed, cost effective way to control and eventually reduce the number of cats on our island.

Thank you for the opportunity to voice my opinion and preference for opposition to the proposed bill 6.04.041 Feeding of Feral Animals Prohibited. I trust that my representatives will act in accordance to the voices of their constituency.
