When I lived in Atlanta, Georgia, I ran a 501-c3 non-profit small-dog rescue for 5+ years with a handful of volunteers. We were able to adopt out around 200-250 dogs annually. I am knowledgeable on various breeds and also uniquely aware of the pitfalls of being an animal owner and the difficulties involved to do the right thing for the animals, people, and community. I am a senior citizen still employed who would appreciate input into the existing Council on Aging—for my own edification as well as anything I can contribute. I have been a civil servant for the State for 10+ years as an HR supervisor and a social worker. I have been a proctor for State personnel exams and physical agility tests. And I have also worked in HR for part of my 17-year employment with global logistics company Nedlloyd Lines. I was part of a team that re-engineered their North American customer service and sales organizations: this included new job descriptions and a working manual for deliverables. As a commuter from Kihei to Wailuku, I am familiar with traffic issues plaguing drivers with road closures and construction and would hope I could be a constructive voice.

Prior to that I was living in the corporate world of Real Estate for 23 years. I attended Hawaii's first (IUCN) World Conservation Congress in 2016. Sharing time with people from around the world. I have had the privilege of serving the Kupuna of the County for the past year. My term on the Council on Aging is ending.

It has been an honor to serve on the Committee, and I would like to see if there is a way to extend my tenure. Being retired, I have the free time to devote to the Committee. Also, as a Chair of the Hale Makua Board, I would like to represent our Residents and staff and other Kupuna under care in Maui County. My long affiliation with Elder Care (My Mother was Director of Nursing at HMHS for 20 years starting in 1964, when I was a Keli) gives me unique insight into Elder Care's evolution in the County.

I have a strong desire to continue to serve the County and our vulnerable Kupuna. My interest is to continue to serve the County in any capacity where my skills and contacts might add value. I am currently retired, living up-country, and have a small woodworking business. My resume below will give you some insight into my background. The resume does not convey that I am a long term Maui Resident who returned several years ago and has no intention of leaving.

As turn-over occurs in the Council on Aging, I would be honored to serve again. Also, if there are other opportunities to help, I hope you will consider my participation.

When I lived in Atlanta, Georgia, I ran a 501-c3 non-profit small-dog rescue for 5+ years with a handful of volunteers. We were able to adopt out around 200-250 dogs annually. I am knowledgeable on various breeds and also uniquely aware of the pitfalls of being an animal owner and the difficulties involved to do the right thing for the animals, people, and community. I am a senior citizen still employed who would appreciate input into the existing Council on Aging—for my own edification as well as anything I can contribute. I have been a civil servant for the State for 10+ years as an HR supervisor and a social worker. I have been a proctor for State personnel exams and physical agility tests. And I have also worked in HR for part of my 17-year employment with global logistics company Nedlloyd Lines. I was part of a team that re-engineered their North American customer service and sales organizations: this included new job descriptions and a working manual for deliverables. As a commuter from Kihel to Wailuku, I am familiar with traffic issues plaguing drivers with road closures and construction and would hope I could be a constructive voice.
