Dear Chair Molina:

Subject: GET-1(6), Confirmation of David Goode as Director of the Department of Public Works

**I strongly support** the confirmation of David Goode as the County of Maui Director of the Department of Public Works.

Mr. Goode is one of the most qualified individuals for this position. Having been a Director of the Department of Public Works, he is very familiar with the issues, challenges, and opportunities of the department. He has integrity, good judgment, and is well respected by those who have had the good fortune to work with him.

It is a true pleasure to support a nominee who has so much experience in the area for which he has been nominated. His impressive background and past government service makes me confident that he will be a great asset to the County of Maui. He has a solid track record of hard work, listening intently to a broad spectrum of stakeholders, working collaboratively and thinking creatively about solutions to seemingly intractable problems. It's been an honor and privilege to serve with him at the Maui Metropolitan Planning Organization and I look forward to continuing to work with him.

I commend his nomination without reservation.

Thank you for the opportunity to provide testimony.

Sincerely,

  
JADE T. BUTAY  
Director of Transportation
