MAUI COUNTY GRANTS OF REAL PROPERTY

Boys & Girls Clubs of Maui, Inc.

Lease Application for Haiku Clubhouse, Haiku, Maui, Hawaii

December 2, 2015

NARRATIVE APPLICATION RESPONSES

1. Provide a description of the nature and purpose of the agency requesting the lease or license-to-occupy, including:
 - Goals and objectives of the organization
 - Population clientele served
 - Services provided (including numbers served)
 - Sources of funding/support for the organization's services and activities
 - Administrative/management structure

The Boys & Girls Clubs of Maui, Inc., is a non-profit 501 (c)(3) organization operating drop-in service facilities that provide a safe, supportive, non-judgmental, nurturing and supervised environment where youth ages 9 to 17 years old can be themselves, experience positive role models, and learn the values and skills that promote success.

Founded in 2000, the Mission of the Boys & Girls Clubs of Maui is to inspire and enable all young people, especially those who need us most, to realize their full potential as productive, responsible and caring citizens. We provide award winning, evidence-based programs to meet our basic goals, which are to increase graduation rates, improve youth fitness and health, and to introduce young people to community service and leadership.

We serve over 9,000 Maui County youth annually through our six clubs and outreach programs. The clubs are open after school; during intersession, breaks and school holidays; and throughout the summer. When school is out, clubs are in. Our clubhouses are located in Central Maui, Kahekili Terrace (accepts members as young as 6), Paukukalo (accepts members as young as 6), Haiku, Makawao and Lahaina.

Membership is open to all, and we strive to ensure that all the youth in Maui County have access to our quality youth development programs. Membership is \$5 per year per member (\$10 per family), but we have scholarships available for those who cannot afford it.

The clubs are staffed by youth development professionals who exemplify our values of fun, respect, character development, education and ohana. Not just after-school hangouts, our clubhouses are safe and positive places where young people come to have fun, learn, do homework, develop social skills, express themselves creatively, and participate in sports. Our young members develop a sense of belonging and connection

to the club, and make connections with one or more trusted adults. Continual learning is celebrated and reinforced in every interaction, activity, and area of the Club.

At Boys & Girls Clubs of Maui, we believe that success is within reach of every young person who walks through the doors of our clubs.

BGCM has an annual operating budget of approximately \$2.5 million. As a non-profit agency, BGCM relies on a variety of resources to fund its operations. We receive a large portion of our financial support from the County of Maui. Additional funds come from the State of Hawaii and the federal government. We also pursue and receive funding from private foundations and corporations. Additionally, we receive donations from individuals and businesses through fundraising and philanthropy-based endeavors.

BGCM's management structure includes a 20-member Board of Directors, the Chief Executive Officer, the Chief Operating Officer, the Director of Finance, and 6 Unit Directors (one for each club location) who report directly to the COO.

2. Please explain the intended usage of the facility (or site) for which the lease/license-to-occupy is being requested. Include information about:
 - The specific use(s)/activity(ies) to be conducted at the facility/site
 - The reason and justification of need for these services/activities
 - The target population to be served at the facility/site
 - The estimated average number of people using the facility/site on a weekly basis
 - The frequency of use (i.e. daily, monthly, quarterly, etc. and number of hours per day) of the facility/site

The facility is currently being used by the Boys & Girls Clubs of Maui as our Haiku Clubhouse. The Haiku Clubhouse is a safe and secure environment that encourages our members to do their best in everything they do with the help of our staff of positive role models.

Core programs and activities decrease the amount of idle time youth have on their hands and keep them from being bored. It is the comprehensive program that the Boys & Girls Club of Maui has and will continue to provide that makes the program as successful as it is.

The Haiku Club is open when school is out, parents are not at home, and youths need a positive, nurturing place to go. It is when our young people have too much time on their hands, yet too little to do, that they get into trouble. The Haiku site is open Monday to Friday from 2 p.m. to 7 p.m. (except on Wednesday Early Release Days when we open at 1 p.m.). When schools are closed for the summer, during intersession and on holidays, the club is open from 8 a.m. to 6 p.m.

At the Haiku Clubhouse, we serve 325 members annually. Most of our members live in the Haiku area and attend Haiku Elementary, Kalama Intermediate, King Kekaulike H.S. or Kamehameha schools, although where a child lives or goes to school are not requirements for membership in the club. On average, approximately 90 youth attend club activities on a daily basis during the school year and 60 for the summer.

Our programs focus on five core areas: Character and Leadership; Education and Career Development; Health and Lifeskills; Sports, Fitness and Recreation; and the Arts. Activities are age appropriate and are designed to meet the needs of each individual member.

3. Explain how/where the services/activities described above are currently being carried out and how use of the requested facility/site will improve delivery of these services/activities.

The Haiku Clubhouse has been operating out of the Haiku Community Center location since 2000 when Boys & Girls Clubs of Maui, Inc., was founded. It is conveniently located to serve the youth of Haiku and the surrounding area, has adequate space for programs and activities for the youth, has available parking, and enables us to provide a safe, secure environment for our members. Over 60 Haiku Elementary students attend the club daily. The youth members who attend Haiku Elementary walk directly to the club which is located across the County of Maui Haiku field. This daily walk is safe for the youth because it is in an open field and far from the busy roads, streets and highway in Haiku, Maui.

As such, it remains the ideal location for BGCM's Haiku Clubhouse.

4. Describe the management plan for the facility/site. Who and how will daily management of the facility/site be handled?

The Haiku Clubhouse is managed on a daily basis by the Unit Director (UD), whose office is located in that facility. All of the Youth Development Staff assigned to the club report directly to the Unit Director.

The Chief Operating Officer (COO) is responsible for the operation of all 6 of the BGCM club facilities; all UD's report to the COO. Meetings are held monthly with all UD's and the COO to ensure all programs and activities are being run effectively and efficiently. Any issues that arise at the club are handled immediately through the chain of command.

All employees of BGCM must pass both a criminal background check and a drug test before they are hired.

5. What would the impact be on the services/activities to be conducted at/through the facility/site IF a lease/license-to-occupy is not granted?

Boys & Girls Clubs of Maui relies on multiple sources of funding to run our programs and other activities, including federal, state and local grants, funds from corporations and foundations, as well as through our own fundraising efforts. Often, there is the requirement that we either own or have a long-term lease on the facility we use as a Clubhouse in order to receive grants and other types of funding. Without being able to prove we can legally use this facility for many years, we may lose out on funding resources, which will negatively affect our ability to provide needed programming to our members.

Additionally, this location is ideal as a Boys & Girls Clubs of Maui facility. It meets all of our needs for accessibility, available square footage, outdoor space, and hours of operation. Currently, we know of no other facility that will meet our needs as well. Without an acceptable facility, we would not be able to offer our programs and services to the youth of this area.

6. If major improvements/construction is planned on the requested site, please provide the following:
- Budget including projected costs and funding sources and amounts. Please identify firm/committed funding sources and amounts.
 - Description of the planned improvement including plans or at least a conceptual drawing(s) of the facility.

We have no plans at this time to make any improvements or changes to the facility.
