### **Subject: Resolution to Planning Committee and Board of Ethics**

Aloha,

I am Ellie Rae Marshman Castillo, committee member for the Committee on the Status of Women, Secretary for 'Aha Moku o Wailuku, Geologist and concerned citizen of Maui County. I am submitting testimony to APPROVE the proposed amendments to the Resolution of Planning Committee and Board of Ethics. As a student of Hawaiian Kingdom Law I feel the current status does not support the protection or proper care and development of our land and natural resources here in our county. HRS Chapter 172 is completely being dismissed. The Joint Resolution also being dismissed.

Again, I SUPPORT the inclusion of the commissioners to attend Hawaiian Law Classes.

Mahalo and Aloha  
Ellie
