Dear Committee Member,

Thank you for reading this letter. I am writing in support of the confirmation of Gladys Baisa as Director of Water Supply. I have known Ms. Baisa for several years and, as an upcountry resident, have been impressed with the improvements in the department since taking over on short notice approximately two years ago. It is clear to me that retaining her services as permanent Director will facilitate the progress of the department's performance.

In closing, I ask for your support for PEA-87, appointing Ms. Baisa as Director of Water Supply.

Thank you,

Robert Nisonger
