For Transmittal to:

Honorable Yuki Lei K. Sugimura, Chair Budget, Finance, and Economic Development Committee Maui County Council 200 South High Street Wailuku, Hawaii 96793

Dear Chair Sugimura:

SUBJECT: FISCAL YEAR ("FY") 2025 BUDGET (BFED-1) (PR-3)

The following is our Department's response to your letter of request dated April 5, 2024:

1. Please provide the percentage of out-of-state players at Waiehu Municipal Golf Course. How much does it cost for a round of golf for out-of-state players and is the rate increasing by \$1?

The percentage of out-of-state players at the Waiehu Golf Course in Fiscal Year 2023 was 10%. The current fee for a round of golf for

Honorable Richard T. Bissen, Jr. For Transmittal to: Honorable Chair Yuki Lei K. Sugimura April 10, 2024 Page 2

out-of-state players is \$65 on weekdays and \$85 on weekends and holidays. Yes, these rates are proposed to increase by \$1 in the FY 2025 budget.

2. Relating to Miscellaneous Supplies under Index Code 915231B, please explain how the \$30,000 is being used for internet connectivity. Will this include the installation of fiber optics? (Page 17-21, Budget Details)

The \$30,000 is currently being utilized to address the need for improved and consistent internet connectivity to operate the new reservations system. The Department regularly works with ITSD on these improvements and addresses new issues as they arise. This does not include the installation of fiber optics at this time.

3. Does the Department plan to request a budget amendment to reflect the proposed 2% increase in wastewater sewer fees?

Currently, the Department has no intention to seek a budget amendment to accommodate the proposed 2% rise in wastewater sewer fees.

4. Please provide the anticipated completion date for FY 2023 CBS-6073 Lower Pā'ia Park Parking Lot.

The project will be complete by the end of 2024 pending timely approval of project permits.

5. Are all County departments' outdoor lighting fixtures compliant with Chapter 20.35, Maui County Code? How many lighting fixtures need to be upgraded prior to July 1, 2026, for compliance?

No. All exterior lighting fixtures not exempted by the existing code mandate replacement. Presently, the majority of outdoor lighting fixtures across County parks facilities necessitate upgrades to align with Chapter 20.35 of the Maui County Code. System-wide, this encompasses roughly 1500 fixtures. Addressing this situation falls under a future capital improvement project.

Honorable Richard T. Bissen, Jr. For Transmittal to: Honorable Chair Yuki Lei K. Sugimura April 10, 2024 Page 3

- 6. For the Department's list of vacancies:
 - a. Please indicate whether a position is seasonal, year-round, part-time, or full-time. Please make this note in the "Target Hire Date" column.

Please see Attachment 1

b. When does the Department need these positions filled? Next to each vacancy, please indicate whether the position needs to be filled for the summer, winter, or indefinitely.

Please see Attachment 1

c. When providing this information, please use a 12-point font and exclude the following columns: Supervisory Organization, Compensation Grade Profile, Department, Unit, Earliest Hire Date, and Recruiting Instruction.

Please see Attachment 1

7. Can the pickleball club receive an additional day to utilize the Eddie Tam Memorial Center or Waiakoa Maui Gym? Currently, the club only receives one day to play pickleball.

Eddie Tam Gym

Effective April 18, 2024:

Pickleball Thursdays 10:00 a.m. – 2:00 p.m.

Effective April 22, 2024:

Additional Pickleball day - every other Monday from 6:00 p.m.
- 8:30 p.m. It will alternate with Badminton.

Currently, we are unable to expand our Recreation Programming further due to staffing shortages. Honorable Richard T. Bissen, Jr. For Transmittal to: Honorable Chair Yuki Lei K. Sugimura April 10, 2024 Page 4

8. Based on preliminary results of the Department's vulnerability study of coastal properties, is the Department budgeting for anticipated shoreline retreat at County parks and facilities? And if so, how is that reflected in the FY 2025 Budget?

As an integral component of DPR's strategic initiatives to mitigate the impacts of sea level rise and other coastal hazards, we have recently filled two positions within the Maintenance Division. These individuals will work on dune restoration projects, which constitute a significant aspect of our proactive response to impending sea level rise, as outlined in our Beach Parks Assessment and Adaptation Plan recommendations. The Department will pursue grants from both state and federal entities to support hazard mitigation planning efforts.

Looking ahead, the Department will incorporate budgetary provisions for anticipated shoreline retreat, encompassing the removal of structures and infrastructure, which falls beyond the scope of the dune restoration crew. In alignment with our adaptation strategies, we will estimate associated costs and seek funding allocation within the FY 2026 budget cycle.

9. Is the Department's CIP Coordinator in communication and collaboration with other departments' CIP Coordinators? Please share any challenges or highlights experienced by the Department's CIP Coordinator in performing their role.

Yes, there is frequent inter-departmental communication between CIP coordinators. Common challenges throughout the County include:

- Long permit processing times delaying delivery of projects
- High turnover within Departments
- Long lead times for materials affecting project schedules

Honorable Richard T. Bissen, Jr. For Transmittal to: Honorable Chair Yuki Lei K. Sugimura April 10, 2024 Page 5

10. What is the average time the Department spends waiting for building permits to be approved before moving ahead with a CIP? Please quantify the cost and impact on the Department when experiencing building permit delays for CIPs.

The Department operates under the assumption of a one-year review period for building permit applications. Considering prevailing inflation rates at 15% and a standard Capital Improvement Program (CIP) budget of \$30 million, a one-year delay incurs a cost of \$4.5 million. Furthermore, there are additional impacts such as adverse public perception, fund lapses, and increased administrative burden. This situation contributes to a backlog of incomplete projects and constrains the Department's capacity to initiate new projects.

11. Relating to Key Activity Goals & Measures – Parks Program, Goal #1, item 2, please list all parks and facilities in FY 2024 that received upgraded irrigation or water management systems. Please list the parks and facilities that the Department plans to update in FY 2025. (Page 629, Program Budget)

The parks that received upgraded irrigation or water management systems in FY 2024 were the War Memorial Little League Fields #3, #4 and #5, and the Kelawea Mauka-Makai Park. The parks that will be completed with upgraded irrigation systems in FY 2025 are the Richard "Pablo" Caldito Ball Park, Halimaile Park and the War Memorial Special Events Area.

12. Explain the Departmental impact if there were no new CIPs added for FY 2025. Without new CIPs, would the Department be able to focus on current CIPs, especially FY 2024 CIPs that have appropriations set to lapse at the end of 2024?

In the absence of any new Capital Improvement Projects (CIPs) being introduced into the FY 2025 budget, the Planning and Development Division would focus on advancing existing CIPs. The Department intends to encumber all funds appropriated in FY 2024. It is important to highlight that eleven (11) out of the fourteen (14) line

Honorable Richard T. Bissen, Jr. For Transmittal to: Honorable Chair Yuki Lei K. Sugimura April 10, 2024 Page 6

items in the proposed FY 2025 CIP budget pertain to ongoing projects that require funding for completion.

Should you have any questions, please contact me at Ext. 7230.

Sincerely,

PATRICK S. MCCALL

Director of Parks and Recreation
