Aloha,

Im Peter Kaulia. I want to support the Makila Farms Project because I think it will be good for the people and for my Ohana. I don't have my own house but I want one. This will be good for the people and for me because it will be affordable and also create more jobs. Finding a home or apartment here on Maui has been a great struggle. I would like to see this project pass so I can get a home.

**I do not want the West Maui Community Planning Action Committee (CPAC) to delay this or any other project that has any affordable housing in West Maui. We are in housing crisis mode.**
