Dear Mr. Goode:

SUBJECT: MORATORIUM ON EXPORTING SAND, THE MAUI INLAND SAND RESOURCE QUANTIFICATION STUDY AND SAND MINING REGULATION (IEM-33)

At the Council's Infrastructure and Environmental Management Committee meeting of July 3, 2017, you estimated the cost associated with updating the Maui Inland Sand Resource Quantification Study (2006) (Study) to be approximately \$25,000. You further advised the Committee that the updated Study should take approximately 2 to 3 months to complete.

I understand the Study was not included in the Fiscal Year 2018 Budget Ordinance. However, since time is of the essence on this matter, please provide the committee with some options for potentially funding the Study during the current fiscal year and, if appropriate, provide a proposed budget amendment to fund the Study.

May I also request that you submit your written response by **July 27, 2017**. To ensure efficient processing, please include the relevant Committee item number in the subject line of your response. Thank you for your consideration of this request.

Should you have any questions, please contact me or the Committee staff (Gary Saldana at ext. 7137, or Stacey Vinoray at ext. 8006).

Mr. David Goode
