DISASTER RECOVERY, INTERNATIONAL AFFAIRS, AND PLANNING
COMMITTEE

Amendment Summary Form

Legislation: Resolution 25-174, entitled "RECOGNIZING THE 2025 UPDATE TO THE COUNTY OF MAUI HAZARD MITIGATION PLAN."

Proposer: Tamara Paltin, Chair *Tamara A. M. Paltin*
Disaster Recovery, International Affairs, and Planning Committee.

Description: The proposed CD1 version:

1. Amends the resolution's title.
2. Inserts a WHEREAS clause referencing the County of Maui 2020 Hazard Mitigation Plan's expiration date and the deadline to adopt the County of Maui 2025 Hazard Mitigation Plan.
3. Inserts a WHEREAS clause acknowledging that the Council has insufficient time to review and identify all technical corrections needed to the County of Maui 2025 Hazard Mitigation Plan.
4. Incorporates nonsubstantive revisions for clarity, consistency, and style.

Motion: Move to substitute the first three pages of Resolution 25-174, including the introduced by page, with the attached proposed CD1 version, without affecting the plan attached as Exhibit "1."

Reasons: The Maui County 2020 Hazard Mitigation Plan took effect on November 19, 2020, for a period of five years. Consequently, the County is required to update their plan before November 19, 2025.

Given the timeline to adopt the County of Maui 2025 Hazard Mitigation Plan and the plan's length, there is not enough

DRIP-18

time for the Council to review the entire plan for technical corrections, including 'Ōlelo Hawai'i misspellings and figure and page references, and have the plan corrected.

The CD1 version incorporates revisions to the first three pages of the Resolution only. No revisions have been made to Exhibit "1," which will be reattached.

Attachment: Proposed CD1 version of Resolution 25-174 without Exhibit "1" attached due to its length.
