Aloha Mayor Arakawa,

I appreciate the opportunity you have provided me and it has been my sincere pleasure to serve our community and work alongside my fellow commissioners and the staff of the planning department and corporation counsel.

I have however come to a crossroads where my community service and the role and position which I hold on this commission is impacting my professional life and the ability to effectively serve my business clients.

This decision has not been taken lightly, nor been an easy one to make, but is necessary nonetheless.

Effective immediately I resign my position on the Molokai Planning Commission.

I trust that the work of this commission is left in capable and competent hands and wish the remaining commissioners the very best in their continued community service in considering the items that come before them, on their individual merits and deficiencies, and their ability to render fair and impartial judgments.

My sincerest Mahalo and Aloha from Molokai,

Robert Stephenson
