RE: Support Makila Farms!

Dear Chair Kama,

My name is Basho Elliot, I have lived on the West Side for 32 years now and I think that any Developer who is willing to build affordable housing here on Maui is a great thing. This would definitely be a positive for low income families or families struggling with keeping up with rent. I believe without this happening they would not be able to own their own home on Maui. Greg Brown is creating this big opportunity for families to have 2-acre farm land lots to grow their own food and build their property for their future generations with solving safety, water, fire, and more. I have not seen 1 bedroom to 4 Bedroom home like this be so affordable and I support this project. I hope to see that this project will be approved.

My Best Regards,
Basho Elliot
