Committee
Report No. _____

Honorable Chair and Members
of the County Council
County of Maui
Wailuku, Maui, Hawaii

Chair and Members:

Your Governance, Ethics, and Transparency Committee, having met on September 17, 2019, makes reference to County Communication 19-343, from the Chief of Police, transmitting a proposed bill entitled “A BILL FOR AN ORDINANCE AUTHORIZING THE MAYOR OF THE COUNTY OF MAUI TO ENTER INTO AN INTERGOVERNMENTAL AGREEMENT WITH THE DEPARTMENT OF THE ATTORNEY GENERAL, STATE OF HAWAII.” The purpose of the proposed bill is to authorize the Mayor to enter into an intergovernmental agreement with the Crime Prevention and Justice Assistance Division (“CPJAD”), Department of the Attorney General, State of Hawaii, for a grant award in the amount of \$54,962 to the Department of Police, Contract Project 17-WF-06, to develop and strengthen effective law enforcement and prosecutorial strategies and victim services in cases involving crimes against women.

Your Committee notes the County is required to provide matching funds in the amount of \$18,321, as indicated on page 17 of the grant agreement attached as Exhibit “1.”

Your Committee further notes Section 2.20.020, Maui County Code, provides that “the mayor shall not enter into any intergovernmental agreement or any amendment thereto which places a financial obligation upon the county or any department or agency thereof,” unless authorized by ordinance.

A representative of the Department of Police said the grant would fund additional training for Department personnel such as patrol officers and detectives, to more effectively address domestic violence, strangulation, and homicide cases. The grant is awarded annually, and

alternated between the Department's Domestic Violence Unit and Sex Assault Unit. The current grant agreement covers the period of July 1, 2019 to June 30, 2020.

The Department said funds would cover travel expenses for guest speakers to administer training to Department personnel in their Maui County work locations, including in Hana, Molokai, and Lanai. Funds would also cover travel expenses for Department personnel to attend Mainland training and conferences.

The grant would also cover training for medical personnel and other agencies that have contact with victims of domestic violence. The Department acknowledged working partnerships with Women Helping Women, Parents and Children Together, and Child and Family Services.

Your Committee noted page two of the Department of the Attorney General/CPJAD, Application For Grant, Part III Budget Detail and Explanation, is subject to modifications because the first of six trainings budgeted for in the grant has already occurred.

Your Committee expressed appreciation to the State Department of the Attorney General for disbursing Federal funds that assist law enforcement.

Your Committee voted 9-0 to recommend passage of the proposed bill on first reading and filing of the communication. Committee Chair Molina, Vice-Chair Rawlins-Fernandez, and members Hokama, Kama, King, Lee, Paltin, Sinenci, and Sugimura voted "aye."

Grantee shall submit a certification to Agency within thirty (30) days after the date this Contract terminates. If a certification is not provided by Grantee, title to any personal property purchased or acquired with funds received under this Contract shall vest in Agency and such personal property shall be delivered to the Agency in good working order upon expiration or sooner termination of this Contract.

In the event Grantee enters into a subcontract with a private organization to perform any of the services or activities required under this Contract, Grantee agrees that the period of each subcontract shall not exceed the term of this Contract, and funds to the private organization will not be released unless and until the requirements set forth in applicable state law and implementing rules are complied with by the subcontractor. All subcontracts shall include provisions to ensure that Grantee is

capable of satisfying the requirements of this Contract. All subcontracts shall be reduced to writing and shall include all provisions of this Contract required of Grantee.

1. In the performance of the services required under this Contract, Grantee shall be an independent contractor with the authority to control and direct the performance and details of the work and services required under this Contract; however, Agency shall have the right to inspect work in progress to determine whether, in Agency's opinion, the work is being performed by Grantee in accordance with the provisions of this Contract. All persons hired or used by Grantee shall be Grantee's agents and employees and Grantee shall be responsible for the accuracy, completeness, and adequacy of any and all work and services performed by its agents and employees. Furthermore, Grantee intentionally, voluntarily, and knowingly assumes the sole and entire liability if such liability is determined to exist, to its agents and employees or to third persons, for all loss, cost, damage or injury caused by Grantee's agents and employees in the course of their employment. The performance of work under this Contract alone shall not be construed as employment with the State of Hawaii and shall not entitle Grantee's agents and employees to

vacation, sick leave, retirement, or other benefits directly afforded state employees by statutes. Grantee shall be responsible for payment of all applicable federal, state, and county fees which may become due and owing by the Grantee by reason of the Contract, including but not limited to (i) income taxes, (ii) employment related fees, assessments and taxes and (iii) general excise taxes. The Grantee also is responsible for obtaining all licenses, permits and certificates that may be required in order to perform this Contract.

G. COMPENSATION.

1. Subject to continuing availability of funds, Agency agrees to pay Grantee, for services satisfactorily performed under this Contract, a sum not to exceed fifty-four thousand nine hundred sixty-two and 00/100 dollars (\$54,962.00) to be spent for the purposes of this Contract. This sum represents any and all compensation to be paid to Grantee for any and all services it provides, and for any and all travel costs, materials, supplies, equipment, overhead, taxes, and other incidentals and operating expenses which it incurs or may incur in connection with this Contract.

2. It is covenanted and agreed by and between the parties hereto that, as to the portion of the obligation under this Contract to be payable out of federal funds, this Contract shall be construed to be an agreement to pay such portion to the Grantee only out of federal funds to be received from the federal government when the federal funds are so received and shall not be construed as a general agreement to pay such portion at all events out of any funds other than those which are received from the federal government.

H. METHOD OF PAYMENT.

1. All funds available for use under this Contract shall be subject to the allotment system as provided in Chapter 37, Hawaii Revised Statutes.

2. Payments to Grantee under this Contract shall be made in accordance with and subject to the following provisions:

a. Payments shall be made monthly upon receipt of Grantee's completed request for funds.

b. All payments shall be made in accordance with and subject to Chapter 40, Hawaii Revised Statutes, which specifies the accounting procedures and controls applicable to payments out of the Treasury of the State of Hawaii.

c. If an amount of reported expenditures is preliminarily determined by Agency to be inappropriate and unallowable, Agency may deduct an equivalent amount from the next payable installment and may withhold payment of the amount of the moneys equivalent to the questioned expenditures until later resolution of the discrepancy by audit or other means. If, after payment of the last installment, investigation and examination reveal additional expenditures that are determined by Agency to be inappropriate and unallowable, Agency may require that an equivalent amount of moneys be refunded to Agency notwithstanding Agency's preliminary determination of appropriateness and allowability.

d. Failure to submit required reports by the applicable deadline will result in the withholding of payments until such time as the reports are received by Agency. Grantee shall continue to provide the services, programs and activities during the period that payments are being withheld.

I. INDEMNIFICATION.

1. It is strictly understood that the State of Hawaii shall in no way be held liable for any damages, cause of action or suits resulting from the acts, activities or omissions of Grantee. Grantee shall indemnify and save harmless the State of Hawaii, Agency, and their officers, agents, and employees

from and against any and all liability, loss, actions, claims, suits, damages, costs or expenses, including all attorneys' fees, and all claims, suits, and demands therefor, arising out of or resulting from the acts or omissions of Grantee, its officers, employees, agents, or subcontractors occurring during or in connection with the performance of Grantee's services under this Contract, or arising out of or resulting from breach of this Contract by Grantee. Grantee shall defend the State of Hawaii, Agency, and their officers, agents, and employees against any such action or claim unless the action or claim involves an act or omission solely of Agency, its officers, agents, or employees.

2. This section shall not be applicable if Grantee is an agency of the State of Hawaii.

3. The County of Maui will indemnify the State of Hawaii, Agency, and their officers, agents, and employees to the extent permitted by law, and it is understood that payment is subject to approval by the county council/or city council, as the case may be.

J. CONFIDENTIAL MATERIAL.

Any information, data, report, record, summary, table, map, or study given to or prepared or assembled by Grantee under this Contract which is identified as proprietary

or confidential information that Agency requests to be kept confidential shall be safeguarded by the Grantee and shall not be made available to any individual or organization other than any subcontractor to which the material may relate, without prior written approval of Agency. Grantee shall submit a completed Privacy Certification for review and approval prior to the expenditure of funds for the collection of identifiable research/statistical data. All information, data, or other material provided by the Grantee or the Agency shall be kept confidential only to the extent permitted by law. Grantee shall comply with the requirements of Chapters 487J, 487N and 487R, Hawaii Revised Statutes as applicable.

K. COPYRIGHT AND PATENT.

The Agency shall have complete ownership of all material, both finished and unfinished, which is developed, prepared, assembled, or conceived by the Grantee pursuant to this Contract, and all such material shall be considered "works made for hire." No summary, report, map, chart, graph, table, study or other documents or discovery, invention, or development produced in whole or in part with funds made available under this Contract (collectively and individually "material") shall be the subject of an application for copyright or patent by or on behalf of Grantee, its officers, agents, or its employees, or

its subcontractors without prior written authorization from Agency. To the extent that any material, summary, report, map, chart, graph, table, study, or other documents, or discovery, invention, or development under this Contract is not recognized as a "work made for hire" as a matter of law, Grantee hereby assigns to the Agency any and all copyrights in and to the material.

L. MODIFICATION OF CONTRACT.

Any modification, alteration, amendment, or change to this Contract other than to the "Application For Grant" (attached hereto as part of Exhibit "A") or to the period during which this Contract is in effect in Section B, including increases (subject to the availability of funds) or decreases in the amount of compensation, permitted by this Contract shall be made by written supplemental agreement to this Contract and executed by Grantee and the Attorney General or the Attorney General's designee. Modifications, alterations or changes to provisions of the "Application For Grant" may be requested by Grantee, approved by the Administrator of the Crime Prevention and Justice Assistance Division on Agency's behalf, and made by substituting or inserting the revisions in Exhibit "A." Modifications, alterations or changes to the period during which this Contract is in effect may be requested in writing by

Grantee or Agency, up to forty-five (45) days before the Contract would otherwise terminate, and shall be effective as of the date approved by the Administrator of the Crime Prevention and Justice Assistance Division (if requested by Grantee) or Grantee (if requested by Agency) and made by attaching a party's written request with the other party's written approval thereon to this Contract. No oral modification, alteration, amendment, change, or extension of any term, provision or condition of this Contract shall be permitted.

M. CONFLICT OF INTEREST.

Grantee represents that it presently has no interest and promises that it shall not acquire any interest, direct or indirect, that would conflict in any manner or degree with the performance of the services under this Contract.

N. TERMINATION OF CONTRACT.

1. If, for any cause, Grantee refuses or fails to satisfactorily fulfill in a timely or proper manner its obligations under this Contract or any extension thereof, or if Grantee breaches any of the promises, terms or conditions of this Contract and, having been given reasonable notice of and opportunity to cure any such default, fails to take satisfactory corrective action within the time specified by Agency, Agency

shall have the right to terminate this Contract by giving written notice to Grantee of such termination ten (10) calendar days before the effective date of such termination. The Grantee shall continue performance of the Contract to the extent it is not terminated. Notwithstanding termination of the Contract, and subject to any directions from the Agency, the Grantee shall take timely, reasonable, and necessary action to protect and preserve property in the possession of the Grantee in which the Agency has an interest.

2. Furthermore, Agency may terminate this Contract without statement of cause at any time by giving written notice to Grantee of such termination at least thirty (30) calendar days before the effective date of such termination.

3. In the event of termination of either type, all finished or unfinished documents, reports, summaries, lists, charts, graphs, maps, or other written material prepared by Grantee, under this Contract shall, at the option of Agency, become Agency's property and, together with all information, data, reports, records, maps, and other materials (if any) provided to Grantee by Agency, shall be delivered and surrendered to Agency on or before the effective date of termination.

APPLICATION FOR STOP VIOLENCE AGAINST WOMEN GRANT

PART II. DESCRIPTION OF PROJECT

Note: This form does not provide spell check.

A. THE PROBLEM

Strangulation is one of the most lethal forms of intimate partner domestic violence with unconsciousness may occur within seconds and death within minutes. Victims may have no visible injuries or understand the seriousness of being strangled thus not reporting the incident or seeking medical attention. Strangulation is a form of power and control and the potential to a fatal outcome.

The proposed trainings will provide law enforcement personnel, medical personnel, advocate personnel and Prosecutors the ability to improve skills in investigation, report writing, observations of the victim, providing proper medical services and assistance, and prosecution of the defendant.

The following are the statistics for domestic violence incidents, specifically strangulation cases that were investigated by the Maui Police Department (MPD) and sent to the Maui Department of the Prosecuting Attorney:

<u>Year</u>	<u>DV Cases</u>	<u>Strangulation Cases</u>
2018	4,032	64
2017	3,823	72
2016	4,459	67
2015	4,376	76

The problem is evident that in Maui County, strangulation cases are on the rise and victims are coming forward to report the incident. Not all cases are being prosecuted due to lack of evidence or no cooperation from the victim to confirm initial statement to responding officer.

For law enforcement, medical personnel and services providers who come into contact with a victim of strangulation, there is often a lack proper awareness and knowledge of non-visible physical injuries and the effects they could have if not treated. The victim themselves may be unaware of the severity of their injuries and minimize the situation and refuse medical treatment. Following any type of domestic violence report, it is critical for the victims to get medical services, counseling, resource assistance, and documentation that will lead to successful prosecution of the perpetrator.

Per the Training Institute on Strangulation Prevention's *Strangulation in Intimate Partner Violence Fact Sheet*:

- *Strangulation* is defined as the obstruction of blood vessels and /or airflow in the neck resulting in asphyxia.
- One in four women will experience intimate partner violence (IPV) in their lifetimes, and of women at high risk, up to 68 percent will experience near-fatal strangulation by their partner.

- Loss of consciousness due to strangulation can occur within 5 to 10 minutes, death within minutes.

Maui County had 12 domestic violence homicides between 2012 to 2016. These types of cases are investigated by a Crimes Against Persons Detective who has attended specialized trainings relating to homicides.

The MPD Domestic Violence Unit (DVU) is not called upon during these types of investigations due to the lack of specialized training relating to domestic violence homicides. VAWA funds have allowed domestic violence investigators to receive specialized trainings in domestic violence related issues.

Responding patrol officers are first on scene and will come face to face with those involved with a domestic type homicide from the victim, the offender, the children, family members and bystanders. Having to obtain pertinent information during their investigation while emotions are high will be important during the prosecution of the offender.

Providing first responders with up to date training in dealing with domestic violence homicides will ensure scene safety, evidence collection and report documentation for prosecution for these crimes.

Per the National Coalition Against Domestic Violence website:

- 1 in 3 female murder victims and 1 in 20 male murder victims are killed by intimate partners
- A study of intimate partner homicides found that 20% of victims were family members or friends of the abused partner, neighbors, persons who intervened, law enforcement responders, or bystanders
- 72% of all murder-suicides are perpetrated by intimate partners
- 94% of murder-suicide victims are female

Understanding the basic differences in the types of crimes against persons, the training for specific domestic violence strangulation and domestic violence homicides will be beneficial to the first responding patrol officers, patrol supervisors, Crimes Against Persons Detectives and Domestic Violence Unit to understand the concepts of violent crimes against women that may lead to homicide.

DVU currently conducts (24) hours of Domestic Violence Training and scenarios during recruit school instruction. DVU personnel will continue to present in-service trainings in addition to Annual Recall with information gathered from Prosecutors regarding new or amended domestic violence laws.

The Prosecutors will call upon the DVU Investigators to conduct immediate follow-up to cases to re-contact the victim, obtain additional statements of those involved, gather valuable evidence and information that may be required to charge a felony offense or upgrade a misdemeanor offense to a felony. Often times follow-ups done several days later may result in the victim becoming uncooperative or evidence being destroyed.

As domestic violence crimes increase law enforcement, medical personnel, advocate/counselor personnel and prosecutors collectively agree that continuous formal training for domestic violence

strangulation and homicide trainings will be beneficial for the entire process when dealing with such crimes of violence.

B. GOALS AND OBJECTIVES

Goal: To improve and sustain MPD's response to domestic violence strangulation and homicide cases throughout Maui County.

Objective #1: 85% of participants who attend community engagement forums in Lana'i, Moloka'i, and Hana will increase their understanding of strangulation and awareness of services available to rural victims.

Objective #3: 85% of DVU and other MPD personnel who attend national trainings on gender-based violence will increase their understanding of domestic violence and sexual assault victims, and will utilize best practices for investigating these types of cases.

Objective #4: 85% of DVU and other MPD personnel who attend "Their Voice" multi-disciplinary training for law enforcement will increase their understanding of domestic violence and sexual assault victim experiences, and will utilize best practices for investigating these types of cases

Objective #5: 60% of domestic violence strangulation cases sent by DVU to Prosecutors will contain appropriate supporting evidence, which may include photos of victim's injuries, scene photos, and other collection of evidence that may lead to successful prosecution.

C. PROJECT ACTIVITIES

Activities that will support Objective #1:

2. DVU and Crimes Against Persons Detectives who investigate sexual assault crimes will work with government and partner agencies to be proactive with trainings, presentations and events for the community. Funding for overtime may be necessary if a meeting/investigation occurs after normal business hours.

Activities that will support Objective #2:

In 2015, the President's Family Justice Center Initiative changed its name to Alliance for HOPE. Day 2 of the training will feature a presentation by FBI Agents (pending confirmation). No fees will be expended for the FBI Agents' presentation.
3. The training will focus on first responders for both law enforcement and medical personnel responding to such types of abuse cases. The training will be evidence-based to increase chances for a successful prosecution.
4. The training will cover case studies relating to homicide due to domestic violence and intimate partner strangulation. The presenters will review case studies that may have been lacking proper evidence, statements and cooperation and may have resulted in unsuccessful prosecution.

I. PROBABILITY TO IMPROVE THE CRIMINAL JUSTICE SYSTEM

Maui Police Department will continue to collaborate with partner agencies with training efforts for law enforcement, medical personnel, Prosecutors and counselors/advocates working with victims/survivors of domestic violence strangulation, sexual assaults and homicides. Those involved from patrol officers, Detectives/Investigators, Prosecutors and counselor/advocates will continue to build working relationships to ensure services are provided to our victims.

In addition, law enforcement personnel will enhance their practices in responding to victims and investigating domestic violence incidents. Continuous training on strategic investigation techniques on how to properly investigate domestic violence strangulation, sexual assaults and homicides will provide personnel to conduct a thorough investigation for prosecution.

In January 2019, Domestic Violence Unit personnel attended a 1 day Strangulation training in Hilo, Hawai'i. The guest speaker Gael STRACK, co-founder of Alliance for HOPE International provided pertinent and valuable information relating to strangulation. Law enforcement and medical personnel will better understand non-visible signs when dealing with victims of strangulation. Information presented will give law enforcement techniques on how to investigative strangulation incidents, the effects of non-visible signs and obtaining proper evidence needed for a prosecution.

MPD will collaborate with Parents and Children Together to co-host "Their Voice" formerly called "Her Voice" conference to build that foundation of trust and respect to victim/survivors of domestic violence and law enforcement. This one-day conference will allow victim/survivors to interact and share their experiences and concerns regarding law enforcement's response to domestic violence type cases. This will help law enforcement better understand the trauma victim/survivors endure during a domestic violence encounter.

Through continued collaboration, education and training law enforcement, medical personnel, counselor/advocates and Prosecutors will work together to ensure the prosecution of those offenders who commits these violent crime

ACCEPTANCE OF VAWA SPECIAL CONDITIONS
(for Government Contracts)

The undersigned Grantee understands and agrees, on behalf of its agency that:

1. Requirements of the Award; Remedies for Non-Compliance or for Materially False Statements

The conditions of this award are material requirements of the award. Compliance with any certifications or assurances submitted by or on behalf of the Grantee that relate to conduct during the period of performance also is a material requirement of this award.

Failure to comply with any one or more of these award requirements -- whether a condition set out in full below, a condition incorporated by reference below, or a certification or assurance related to conduct during the award period -- may result in CPJAD taking appropriate action with respect to the Grantee and the award. Among other things, CPJAD may withhold award funds, disallow costs, or suspend or terminate the award. The Department of Justice and CPJAD also may take other legal action as appropriate.

Any materially false, fictitious, or fraudulent statement to the state and/or federal government related to this award (or concealment or omission of a material fact) may be the subject of criminal prosecution (including under 18 U.S.C. 1001 and/or 1621, and/or 42 U.S.C. 3795a), and also may lead to imposition of civil penalties and administrative remedies for false claims or otherwise (including under 31 U.S.C. 3729-3730 and 3801-3812).

Should any provision of a requirement of this award be held to be invalid or unenforceable by its terms, that provision shall first be applied with a limited construction so as to give it the maximum effect permitted by law. Should it be held, instead, that the provision is utterly invalid or unenforceable, such provision shall be deemed severable from this award.

2. Applicability of Part 200 Uniform Requirements

Grantee agrees to comply with the financial and administrative requirements set forth in 2 C.F.R. Part 200 and the current edition of the Department of Justice (DOJ) Grants Financial Guide.

Grantee understands and agrees that CPJAD may withhold award funds, or may impose other related requirements, if the Grantee does not satisfactorily and promptly address outstanding issues from audits required by the Part 200 Uniform Requirements (or by the

terms of this award), or other outstanding issues that arise in connection with audits, investigations, or reviews of CPJAD awards.

3. Grantee shall submit a Semi-Annual Progress Report to the CPJAD every six (6) months following the calendar year. The progress reports are to cover activities that the Grantee has completed during that reporting period. The semi-annual reporting periods and due dates are:

- January 1 through June 30 Due July 15
- July 1 through December 31 Due January 15

A Final Progress Report is due 30 days after the project end date and should report cumulatively on the entire project period. The appropriate report form will be provided to each project by CPJAD (AG/CPJAD #20). The report shall contain information describing progress, accomplishments, activities, changes, and problems during the report period and any additional information specified by the CPJAD.

4. The annual STOP report required by OVW shall be submitted to CPJAD by February 1 unless mandated earlier by CPJAD.

5. Reporting Potential Fraud, Waste, and Abuse, and Similar Misconduct

Grantee shall promptly refer to the DOJ OIG any credible evidence that a principal, employee, agent, contractor, subgrantee, subcontractor, or other person has either 1) submitted a false claim for grant funds under the False Claims Act; or 2) committed a criminal or civil violation of laws pertaining to fraud, conflict of interest, bribery, gratuity, or similar misconduct involving grant funds. Potential fraud, waste, abuse, or misconduct should be reported to the OIG by:

Mail: Office of the Inspector General
U.S. Department of Justice
Investigations Division
950 Pennsylvania Avenue, N.W.
Room 4706
Washington, DC 20530

E-mail: oig.hotline@usdoj.gov
Hotline: (contact information in English and Spanish): (800) 869-4499, or
Hotline fax: (202) 616-9881.

Additional information is available from the DOJ OIG website at www.usdoj.gov/oig

6. 41 U.S.C. 4712 (Including Prohibitions on Reprisal; Notice to Employees)

Grantee must comply with, and is subject to, all applicable provisions of 41 U.S.C. 4712, including all applicable provisions that prohibit, under specified circumstances,

discrimination against an employee as reprisal for the employee's disclosure of information related to gross mismanagement of a federal grant, a gross waste of federal funds, an abuse of authority relating to a federal grant, a substantial and specific danger to public health or safety, or a violation of law, rule, or regulation related to a federal grant.

Grantee also must inform its employees, in writing (and in the predominant native language of the workforce), of employee rights and remedies under 41 U.S.C. 4712.

7. Federal Leadership on Reducing Text Messaging While Driving

Pursuant to Executive Order 13513, "Federal Leadership on Reducing Text Messaging While Driving," 74 Fed. Reg. 51225 (October 1, 2009), the CPJAD encourages grantees and sub-grantees to adopt and enforce policies banning employees from text messaging while driving any vehicle during the course of performing work funded by this grant, and to establish workplace safety policies and conduct education, awareness, and other outreach to decrease crashes caused by distracted drivers.

8. Training(s)/Conference(s) Compliance

Grantee agrees to comply with all applicable laws, regulations, policies, and guidance (including specific cost limits, prior approval and reporting requirements, where applicable) governing the use of federal funds for expenses related to conferences, meetings, trainings, and other events. Information on pertinent laws, regulations, policies, and guidance is available in the DOJ Grants Financial Guide Conference Cost Chapter.

Grantee understands and agrees that any training or training materials developed or delivered with funding provided under this award must adhere to the OVW Training Guiding Principles for Grantees and Sub-grantees, available at <https://www.ovw.justice.gov/ovw/grantees>

9. Duplicate Award of Federal Funds

Grantee agrees that if it currently has an open award of federal funds or if it receives an award of federal funds other than this CPJAD award, and those award funds have been, are being, or are to be used, in whole or in part, for one or more of the identical cost items for which funds are being provided under this CPJAD award, the grantee will promptly notify, in writing, the assigned Criminal Justice Planning Specialist for this CPJAD award, and, if so requested by CPJAD, seek a budget or project narrative modification to eliminate any inappropriate duplication of funding. Further, the Grantee agrees and understands that any duplicative funding that cannot be re-programmed to support non-duplicative activities within the program's statutory scope will be deobligated from this award and returned to CPJAD.

10. VAWA Federal Eligibility Requirements

Grantee shall comply with the federal eligibility requirements established by the Violence Against Women and Department of Justice Reauthorization of 2013 (<https://www.usdoj.gov/ovw/regulations.htm>) and the effective edition of the DOJ Grants Financial Guide in order to receive STOP Program funds.

11. Civil Rights Provision

Grantee shall comply with civil rights provisions prohibiting the excluding, denying benefits to, or discriminating against any person on the basis of actual or perceived race, color, religion, national origin, sex, gender identity, sexual orientation, or disability in any program or activity funded in whole or in part by OVW.

12. Non-Disclosure of Confidential or Private Information

Grantee shall comply with provisions of 42 U.S.C. 13925(b)(2), non-disclosure of confidential or private information, which includes creating and maintaining documentation of compliance, such as policies and procedures for release of victim information. Grantee shall also ensure that any subgrantees meet these requirements.

13. Restrictions and Certifications Regarding Non-Disclosure Agreements and Related Matters

No Grantee or subgrantee under this award, or entity that receives a contract or subcontract with any funds under this award, may require any employee or contractor to sign an internal confidentiality agreement or statement that prohibits or otherwise restricts, or purports to prohibit or restrict, the reporting (in accordance with law) of waste, fraud, or abuse to an investigative or law enforcement representative of a federal department or agency authorized to receive such information.

14. Prohibited Conduct Related to Trafficking in Persons

Grantee, and any subgrantee at any tier, must comply with all applicable requirements (including requirements to report allegations) pertaining to prohibited conduct related to the trafficking of persons, whether on the part of Grantees, subgrantees, or individuals defined (for purposes of this condition) as “employees” of the grantee or of any subgrantee.

The details of the Grantee’s obligations related to prohibited conduct related to trafficking in persons are posted on the OVW web site at <https://www.justice.gov/ovw/grantees> (Award condition: Prohibited conduct by grantees and subgrantees related to trafficking in persons (including reporting requirements and OVW authority to terminate award)), and are incorporated by reference here.

15. General Appropriations-Law Restrictions

Grantee, and any subgrantee at any tier, must comply with all applicable restrictions on the use of federal funds set out in federal appropriations statutes. Pertinent restrictions, including from various “general provisions” in the Consolidated Appropriations Act, 2017, are set out at <https://www.justice.gov/ovw/grantees> and are incorporated by reference here.

Should a question arise as to whether a particular use of federal funds by a Grantee or subgrantee would or might fall within the scope of an appropriations-law restriction, the grantee is to contact CPJAD for guidance, and may not proceed without the express prior written approval of CPJAD.

16. DOJ Regulations Pertaining to Civil Rights and Nondiscrimination - 28 C.F.R. Part 38

Grantee, and any subgrantee at any tier, must comply with all applicable requirements of 28 C.F.R. Part 38, specifically including any applicable requirements regarding written notice to program beneficiaries and prospective program beneficiaries. Part 38 of 28 C.F.R., a DOJ regulation, was amended effective May 4, 2016.

Among other things, 28 C.F.R. Part 38 includes rules that prohibit specific forms of discrimination on the basis of religion, a religious belief, a refusal to hold a religious belief, or refusal to attend or participate in a religious practice. Part 38 also sets out rules and requirements that pertain to grantee and subgrantee organizations that engage in or conduct explicitly religious activities, as well as rules and requirements that pertain to grantees and subgrantees that are faith-based or religious organizations.

The text of the regulation, now entitled “Partnerships with Faith-Based and Other Neighborhood Organizations,” is available via the Electronic Code of Federal Regulations (currently accessible at <http://www.ecfr.gov/cgi-bin/ECFR?page=browse>), by browsing to Title 28-Judicial Administration, Chapter 1, Part 38, under e-CFR “current” data.

17. DOJ Regulations Pertaining to Civil Rights and Nondiscrimination - 28 C.F.R. Part 54

The Grantee, and any subrecipient (“subgrantee”) at any tier, must comply with all applicable requirements of 28 C.F.R. Part 54, which relates to nondiscrimination on the basis of sex in certain “education programs.”

18. Restrictions on “Lobbying” and Policy Development

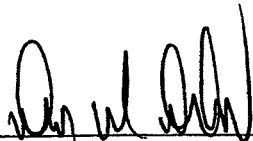

In general, as a matter of federal law, federal funds may not be used by the Grantee, or any subrecipient (“subgrantee”) at any tier, either directly or indirectly, in support of the enactment, repeal, modification or adoption of any law, regulation or policy, at any level of government, in order to avoid violation of 18 U.S.C. 1913. Grantee, or any subrecipient (“subgrantee”) may, however, use federal funds to collaborate with and provide information to federal, state, local, tribal and territorial public officials and agencies to develop and implement policies and develop and promote state, local, or tribal legislation or model codes designed to reduce or eliminate domestic violence, dating violence, sexual assault, and stalking (as those terms are defined in 42 U.S.C. 13925(a)) when such collaboration and provision of information is consistent with the activities otherwise authorized under this grant program.

Another federal law generally prohibits federal funds awarded from being used by the Grantee, or any subrecipient at any tier, to pay any person to influence (or attempt to influence) a federal agency, a Member of Congress, or Congress (or an official or employee of any of them) with respect to the awarding of a federal grant or cooperative agreement, subgrant, contract, subcontract, or loan, or with respect to actions such as renewing, extending, or modifying any such award. See 31 U.S.C. 1352. Certain exceptions to this law apply, including an exception that applies to Indian tribes and tribal organizations.

Should any question arise as to whether a particular use of federal funds by a Grantee (or subrecipient) would or might fall within the scope of these prohibitions, the Grantee is to contact CPJAD for guidance, and may not proceed without the express prior written approval of CPJAD.

I certify that the Maui Police Department (name of Grantee) will:

INSTRUCTIONS

Completing the Certification Form Compliance with the Equal Employment Opportunity Plan (EEOP) Requirements

The federal regulations implementing the Omnibus Crime Control and Safe Streets Act (Safe Streets Act) of 1968, as amended, require some recipients of financial assistance from the U.S. Department of Justice subject to the statute's administrative provisions to create, keep on file, submit to the Office for Civil Rights (OCR) at the Office of Justice Programs (OJP) for review, and implement an Equal Employment Opportunity Plan (EEOP). See 28 C.F.R. pt. 42, subpt. E. All awards from the Office of Community Oriented Policing Services (COPS) are subject to the EEOP requirements; many awards from OJP, including awards from the Bureau of Justice Assistance (BJA), the Office of Juvenile Justice and Delinquency Prevention (OJJDP), and the Office for Victims of Crime (OVC) are subject to the EEOP requirements; and many awards from the Office on Violence Against Women (OVW) are also subject to the EEOP requirements. If you have any questions as to whether your award from the U.S. Department of Justice is subject to the Safe Streets Act's EEOP requirements, please consult your grant award document, your program manager, or the OCR.

Recipients should complete *either* Section A *or* Section B *or* Section C, not all three. If recipient completes Section A *or* C and sub-grants a single award over \$500,000, in addition, please complete Section D.

Section A

The regulations exempt some recipients from all of the EEOP requirements. Your organization may claim an exemption from all of the EEOP requirements if it meets any of the following criteria: it is a nonprofit organization, an educational institution, a medical institution, or an Indian tribe; *or* it received an award under \$25,000; *or* it has less than fifty employees. To claim the complete exemption from the EEOP requirements, complete Section A.

Section B

Although the regulations require some recipients to create, maintain on file, and implement an EEOP, the regulations allow some recipients to forego submitting the EEOP to the OCR for review. Recipients that (1) are a unit of state or local government, an agency of state or local government, or a private business; *and* (2) have fifty or more employees; *and* (3) have received a single grant award of \$25,000 or more, but less than \$500,000, may claim the limited exemption from the submission requirement by completing Section B. In completing Section B, the recipient should note that the EEOP on file has been prepared within twenty-four months of the date of the most recent grant award.

Section C

Recipients that (1) are a unit of state or local government, an agency of state or local government, or a private business, *and* (2) have fifty or more employees, *and* (3) have received a single grant award of \$500,000 or more, must prepare, maintain on file, *submit to the OCR for review*, and implement an EEOP. Recipients that have submitted an EEOP Utilization Report (or in the process of submitting one) to the OCR, should complete Section C.

Section D

Recipients that (1) receive a single award over \$500,000; *and* (2) subaward a single award of \$500,000 or more must provide a list; including, name, address and DUNS # of each such sub-recipient by completing Section D.

Submission Process

Recipients should download the online Certification Form, complete required sections, have the appropriate official sign it, electronically scan the signed document, and then send the signed document to the following e-mail address: EEOPForms@usdoj.gov. *The document must have the following title: EEOP Certification.* If you have questions about completing or submitting the Certification Form, please contact the Office for Civil Rights, Office of Justice Programs, 810 7th Street, NW, Washington, DC 20531 (Telephone: (202) 307-0690 and TTY: (202) 307-2027).
