SUBJECT: PROPOSED FISCAL YEAR 2020 BUDGET FOR THE COUNTY OF MAUI (EDB-1) (YL) (Q-3)

I am submitting the following questions on the Fiscal Year 2020 Budget:

1) Parks Department, CIP, CBS 1176, Kula Park Playground, PB page 753

At the Upcountry budget district meeting. The Kula Community Association expressed as their top priority the Kula Playground project. Please provide the breakdown of cost, time schedule and estimated project completion date.

2) Public Works, Olinda Road, Eucalypts Trees:

At the Upcountry budget district meeting on April 4th, residents expressed concerns of the potential threat of fallen eucalyptus trees along Olinda Road. What would it cost to remove the eucalyptus trees along County's portion of Olinda Road? Does the department have any plans to address this concern? What is your schedule.
