Subject: Testimony for Wailuku Civic Hub--Defund Wailuku Redevelopment

Follow Up Flag: Follow up

Aloha and Blessings,

We have lived on Maui since 1970 so have seen many changes, many not well though through that seem to be to put money in someone's pocket, but not in the community's best interest. This is another one of those.

Please defund the Wailuku development and stop the Wailuku Civic Hub.

We cannot afford to wast \$84 million plus \$6 million annually on a parking garage, shops and offices when we are in the middle of a housing crisis.

This would negatively impact small businesses and ruin Wailuku. Wailuku has a character. Please don't ruin the character of this charming town, and put the mom and pop shops that are there out of business.

The former Administration initiated this project without Community Input in any measurable way. So please de-fund this project.

Mahalo,
