DATE: October 1, 2018

SUBJECT: **NEW KAHULUI COMMUNITY CENTER FACILITY** (PRL-32)

On September 27, 2018, our Department received your memorandum dated September 26, 2018, inquiring about the current status of the proposed new Kahului Community Center Project ("Project"). You requested a response no later than Monday, October 1, 2018.

Our Department is unable to provide your Committee with answers to the specific questions you are posing at this time. However, a meeting has been scheduled to discuss the Project with the Departments of Corporation Counsel, Public Works, Housing and Human Services, and Parks and Recreation, in order to determine what needs to be accomplished prior to the County accepting the required acreage from Alexander & Baldwin. There is also a site inspection scheduled for Friday, October 5, 2018 to provide the planning consultant who has been retained an opportunity to conduct a site inspection of the currently proposed site and provide input as to its appropriateness for the Project.

After both of these events occur, our Department will have more information to provide you.
