Subject: Support for Bill 9 to Phase Out the Minatoya List!

Housing Land Use Committee,

Aloha Councilmembers,

I urge you to SUPPORT Bill 9 to phase out short-term rentals on the Minatoya list. Our communities deserve housing that prioritizes local residents, not carveouts or special protections for timeshares. Please stand with the people of Hawai'i and ensure this bill moves forward without exceptions.

Dear Maui County Council,

I am a resident of our community, and I am writing to submit testimony regarding Bill 9, currently under consideration.

I strongly oppose this measure. This bill will not address the housing crisis, as the units being targeted are too small and lack sufficient parking. Instead, it will devastate our tourism industry and eliminate jobs—including mine in cleaning rental units. It will also negatively impact many others who rely on this sector, such as handymen, restaurant workers, and service providers.

Thank you for your time and for your continued service to our community. I appreciate the opportunity to share my input, and I urge you to vote No on Bill 9.

Sincerely,
Anastasia
