To: County Council of Maui - GET Committee

**Re: Amending Chapter 2.41, Maui County Code, Relating to Attendance at Board, Commission, and Committee Meetings by Appointed Members (GET-40).**

Aloha Council Members,

I have no objection to the draft language that would amend the Maui County Code attached to the memo from the Mayor on 11/27/19 to the GET committee regarding attendance.

As a member of the Board of Ethics since April 2018, we have had only one meeting cancelled due to lack of quorum (January 2020). This is partially due to the recent resignation of two of our members prior to their term expiring and you having to go through the process of having replacements nominated and approved to fill unexpected vacancies.

I have missed one board meeting to date. I did verify prior to the meeting with our board chair that they would have a quorum if I was to be absent on that day - this factored into my decision to request an excused absence to attend a memorial service.

Mahalo,

William "Bill" Curtis, Jr.
