

Amendment 1:

20.40.020 Definitions. Whenever used in this chapter, the following words shall have the meaning indicated:

“Central Maui inland sand” " means inland Qdo or Qdy sand, where the building value of the lot is zero and is located within the following areas: ~~inland sand deposits on undeveloped land, sand dunes, historical, cultural and environmentally sensitive areas that lie within the following area:~~

Beginning at the mouth of Waihee River and follow
.....(continue as-is)

Justification:

This amendment simplifies the definition by reflecting the lots that have been identified by the map that will be attached to this ordinance.

Amendment 2:

"Sand mining" means activities related to the extraction or removal of sand from its ~~original, natural location~~ lot.

Justification:

This amendment simplifies the definition of sand mining for this chapter to reflect what cannot be done to the inland sand. (It may not be removed from its lot.)
