Grantee covenants that the representations made in the Lobbying Certification are true at the time this Contract is executed and will remain true throughout the entire term of the Contract and any extensions, and that Grantee shall fulfill any and all terms and conditions set forth therein.

8. Grantee shall comply with the non-discrimination requirements of the Omnibus Crime Control and Safe Streets Act of 1968 which prohibits discrimination in employment and in the delivery of services or benefits on the basis of race, color, national origin, religion, or sex; Title VI of the Civil Rights Act of 1964 which prohibits discrimination in the delivery of services or benefits on the basis of race, color, or national origin; Section 504 of the Rehabilitation Act of 1973 and Title II of the Americans with Disabilities Act of 1990 which prohibit discrimination in employment and in the delivery of services or benefits based on disability; Title IX of the Education Amendments of 1972 which prohibits discrimination on the basis of sex in training or educational programs; the Age Discrimination Act of 1975 which prohibits discrimination in the delivery of services or benefits on the basis of age; the Department of Justice regulations implementing the above-referenced statutes at 28 C.F.R. 9. Grantee assures Agency that if it is required to formulate an Equal Employment Opportunity Program in accordance with 28 C.F.R. §§ 42.301 et seq. it will submit a certification to Agency that a current program is on file.

10. Grantee shall maintain accounting procedures and practices acceptable to Agency, and books, records, documents and other evidence which sufficiently, accurately and properly reflect all direct and indirect expenditures and all interest or other income earned as the result of funds provided pursuant to this Contract. Grantee shall ensure that its own books, records, and documents are available for inspection, reviews or audits at all reasonable times by Agency or the United States Department of Justice. In addition, Grantee shall prepare and submit to the Agency reports in such form and at such times as Agency or the Office on Violence Against Women may

require. Grantee shall submit quarterly financial reports fifteen (15) calendar days after the end of each calendar quarter. Grantee shall submit monthly request for funds and cash balance reports fifteen (15) calendar days after the end of each month. The final fiscal reports must be received by Agency within sixty (60) days after the date this Contract terminates or unless mandated earlier by Agency. 11. The final drawdown for funds must be received by Agency within thirty (30) days after the date this Contract terminates.

12. Any funds provided to Grantee under this Contract which are unencumbered on the date this Contract terminates shall be returned to Agency; all funds provided under this Contract which are encumbered but not disbursed within sixty (60) days after this Contract terminates shall be returned to Agency.

13. Grantee shall submit progress reports as required for the Act funds to Agency as stipulated under Part IV. of the Application for Grant, Attachments, Acceptance of VAWA Special Conditions.

14. If so required by Agency, Grantee shall certify to Agency that any expendable or nonexpendable personal property purchased or acquired with funds received under this Contract will be used for criminal justice purposes before title in such property may vest in Grantee. Grantee shall submit a certification to Agency within thirty (30) days after the date this Contract terminates. If a certification is not provided by Grantee, title to any personal property purchased or acquired with funds received under this Contract shall vest in Agency and such personal property shall be delivered to the Agency in good working order upon expiration or sooner termination of this Contract.

15. Grantee shall ensure that Eighteen Thousand Four hundred Sixty dollars (\$18,460.00) are available as matching funds to provide the services under this Contract. Grantee shall maintain records which clearly and accurately show the source, amount and the timing of match contributions. If, at the end of the Contract period, Agency determines that Grantee does not have the required matching contribution, Grantee shall return all of the federal portion of the project cost for which Grantee does not have the required match.

D. PERSONNEL.

1. Grantee shall secure at its own expense all personnel required to perform the services required under this Contract. All such personnel shall not be considered employees of, or have any contractual relationship with the State of Hawaii unless Grantee is otherwise an agency of the State.

2. Grantee shall ensure that none of the work or services to be provided under this Contract shall be subcontracted or assigned without the prior written approval of Agency.

E. SUBCONTRACTS.

Grantee may provide some or all of the services required under this Contract by subcontract provided that Grantee secures the prior written consent of Agency. In the event Grantee enters into a subcontract with a private organization to perform any of the services or activities required under this Contract, Grantee agrees that the period of each subcontract shall not exceed the term of this Contract, and funds to the private organization will not be released unless and until the requirements set forth in applicable state law and implementing rules are complied with by the subcontractor. All subcontracts shall include provisions to ensure that Grantee is capable of satisfying the requirements of this Contract. All

subcontracts shall be reduced to writing and shall include all provisions of this Contract required of Grantee.

F. SERVICES AS INDEPENDENT CONTRACTOR.

1. In the performance of the services required under this Contract, Grantee shall be an independent contractor with the authority to control and direct the performance and details of the work and services required under this Contract; however, Agency shall have the right to inspect work in progress to determine whether, in Agency's opinion, the work is being performed by Grantee in accordance with the provisions of this Contract. All persons hired or used by Grantee shall be Grantee's agents and employees and Grantee shall be responsible for the accuracy, completeness, and adequacy of any and all work and services performed by its agents and employees. Furthermore, Grantee intentionally, voluntarily, and knowingly assumes the sole and entire liability if such liability is determined to exist, to its agents and employees or to third persons, for all loss, cost, damage or injury caused by Grantee's agents and employees in the course of their employment. The performance of work under this Contract alone shall not be construed as employment with the State of Hawaii and shall not entitle Grantee's agents and employees to vacation, sick leave, retirement, or other benefits directly

afforded state employees by statutes. Grantee shall be responsible for payment of all applicable federal, state, and county fees which may become due and owing by the Grantee by reason of the Contract, including but not limited to (i) income taxes, (ii) employment related fees, assessments and taxes and (iii) general excise taxes. The Grantee also is responsible for obtaining all licenses, permits and certificates that may be required in order to perform this Contract.

2. This section shall not be applicable if Grantee is an agency of the State of Hawaii.

G. COMPENSATION.

1. Subject to continuing availability of funds, Agency agrees to pay Grantee, for services satisfactorily performed under this Contract, a sum not to exceed Fifty-five Thousand Three hundred eighty dollars (\$55,380.00) to be spent for the purposes of this Contract. This sum represents any and all compensation to be paid to Grantee for any and all services it provides, and for any and all travel costs, materials, supplies, equipment, overhead, taxes, and other incidentals and operating expenses which it incurs or may incur in connection with this Contract.

2. It is covenanted and agreed by and between the parties hereto that, as to the portion of the obligation

under this Contract to be payable out of federal funds, this Contract shall be construed to be an agreement to pay such portion to the Grantee only out of federal funds to be received from the federal government when the federal funds are so received and shall not be construed as a general agreement to pay such portion at all events out of any funds other than those which are received from the federal government.

H. METHOD OF PAYMENT.

1. All funds available for use under this Contract shall be subject to the allotment system as provided in Chapter 37, Hawaii Revised Statutes.

2. Payments to Grantee under this Contract shall be made in accordance with and subject to the following provisions:

a. Payments shall be made monthly upon receipt of Grantee's completed request for funds.

b. All payments shall be made in accordance with and subject to Chapter 40, Hawaii Revised Statutes, which specifies the accounting procedures and controls applicable to payments out of the Treasury of the State of Hawaii.

c. If an amount of reported expenditures is preliminarily determined by Agency to be inappropriate and

unallowable, Agency may deduct an equivalent amount from the next payable installment and may withhold payment of the amount of the moneys equivalent to the questioned expenditures until later resolution of the discrepancy by audit or other means. If, after payment of the last installment, investigation and examination reveal additional expenditures that are determined by Agency to be inappropriate and unallowable, Agency may require that an equivalent amount of moneys be refunded to Agency notwithstanding Agency's preliminary determination of appropriateness and allowability.

d. Failure to submit required reports by the applicable deadline will result in the withholding of payments until such time as the reports are received by Agency. Grantee shall continue to provide the services, programs and activities during the period that payments are being withheld.

I. INDEMNIFICATION.

1. It is strictly understood that the State of Hawaii shall in no way be held liable for any damages, cause of action or suits resulting from the acts, activities or omissions of Grantee. Grantee shall indemnify and save harmless the State of Hawaii, Agency, and their officers, agents, and employees from and against any and all liability, loss, actions, claims, suits, damages, costs or expenses, including all attorneys'

fees, and all claims, suits, and demands therefor, arising out of or resulting from the acts or omissions of Grantee, its officers, employees, agents, or subcontractors occurring during or in connection with the performance of Grantee's services under this Contract, or arising out of or resulting from breach of this Contract by Grantee. Grantee shall defend the State of Hawaii, Agency, and their officers, agents, and employees against any such action or claim unless the action or claim involves an act or omission solely of Agency, its officers, agents, or employees.

2. This section shall not be applicable if Grantee is an agency of the State of Hawaii.

3. The County of Maui will indemnify the State of Hawaii, Agency, and their officers, agents, and employees to the extent permitted by law, and it is understood that payment is subject to approval by the county council/or city council, as the case may be.

J. CONFIDENTIAL MATERIAL.

Any information, data, report, record, summary, table, map, or study given to or prepared or assembled by Grantee under this Contract which is identified as proprietary or confidential information that Agency requests to be kept confidential shall be safeguarded by the Grantee and shall not

be made available to any individual or organization other than any subcontractor to which the material may relate, without prior written approval of Agency. Grantee shall submit a completed Privacy Certification for review and approval prior to the expenditure of funds for the collection of identifiable research/statistical data. All information, data, or other material provided by the Grantee or the Agency shall be kept confidential only to the extent permitted by law. Grantee shall comply with the requirements of Chapters 487J, 487N and 487R, Hawaii Revised Statutes as applicable.

K. COPYRIGHT AND PATENT.

The Agency shall have complete ownership of all material, both finished and unfinished, which is developed, prepared, assembled, or conceived by the Grantee pursuant to this Contract, and all such material shall be considered "works made for hire." No summary, report, map, chart, graph, table, study or other documents or discovery, invention, or development produced in whole or in part with funds made available under this Contract (collectively and individually "material") shall be the subject of an application for copyright or patent by or on behalf of Grantee, its officers, agents, or its employees, or its subcontractors without prior written authorization from Agency. To the extent that any material, summary, report, map,

chart, graph, table, study, or other documents, or discovery, invention, or development under this Contract is not recognized as a "work made for hire" as a matter of law, Grantee hereby assigns to the Agency any and all copyrights in and to the material.

L. MODIFICATION OF CONTRACT.

Any modification, alteration, amendment, or change to this Contract other than to the "Application For Grant" (attached hereto as part of Exhibit "A") or to the period during which this Contract is in effect in Section B, including increases (subject to the availability of funds) or decreases in the amount of compensation, permitted by this Contract shall be made by written supplemental agreement to this Contract and executed by Grantee and the Attorney General or the Attorney General's designee. Modifications, alterations or changes to provisions of the "Application For Grant" may be requested by Grantee, approved by the Administrator of the Crime Prevention and Justice Assistance Division on Agency's behalf, and made by substituting or inserting the revisions in Exhibit "A." Modifications, alterations or changes to the period during which this Contract is in effect may be requested in writing by Grantee or Agency, up to forty-five (45) days before the Contract would otherwise terminate, and shall be effective as of

the date approved by the Administrator of the Crime Prevention and Justice Assistance Division (if requested by Grantee) or Grantee (if requested by Agency) and made by attaching a party's written request with the other party's written approval thereon to this Contract. No oral modification, alteration, amendment, change, or extension of any term, provision or condition of this Contract shall be permitted.

M. CONFLICT OF INTEREST.

Grantee represents that it presently has no interest and promises that it shall not acquire any interest, direct or indirect, that would conflict in any manner or degree with the performance of the services under this Contract.

N. TERMINATION OF CONTRACT.

1. If, for any cause, Grantee refuses or fails to satisfactorily fulfill in a timely or proper manner its obligations under this Contract or any extension thereof, or if Grantee breaches any of the promises, terms or conditions of this Contract and, having been given reasonable notice of and opportunity to cure any such default, fails to take satisfactory corrective action within the time specified by Agency, Agency shall have the right to terminate this Contract by giving written notice to Grantee of such termination ten (10) calendar

days before the effective date of such termination. The Grantee shall continue performance of the Contract to the extent it is not terminated. Notwithstanding termination of the Contract, and subject to any directions from the Agency, the Grantee shall take timely, reasonable, and necessary action to protect and preserve property in the possession of the Grantee in which the Agency has an interest.

2. Furthermore, Agency may terminate this Contract without statement of cause at any time by giving written notice to Grantee of such termination at least thirty (30) calendar days before the effective date of such termination.

3. In the event of termination of either type, all finished or unfinished documents, reports, summaries, lists, charts, graphs, maps, or other written material prepared by Grantee, under this Contract shall, at the option of Agency, become Agency's property and, together with all information, data, reports, records, maps, and other materials (if any) provided to Grantee by Agency, shall be delivered and surrendered to Agency on or before the effective date of termination.

4. Grantee shall be entitled to receive only such compensation as shall have been satisfactorily earned prior to the effective date of termination. Agency shall determine

the amount of work satisfactorily completed and the amount of compensation satisfactorily earned. If the termination is for cause, any other provisions to the contrary notwithstanding, Grantee shall not be relieved of liability to Agency for damages sustained by Agency because of any breach by Grantee of this Contract.

O. WAIVER.

The failure of the Agency to insist upon strict compliance with any term, provision, or condition of this Contract shall not constitute or be deemed to constitute a waiver or relinquishment of the Agency's right to enforce the same in accordance with this Contract. It is expressly understood and agreed that no waiver granted by Agency on account of any violation of any promise, term or condition of this Contract shall constitute or be construed in any manner as a waiver of the promise, term or condition or of the right to enforce the same as to any other or further violation.

P. DISPUTES; GOVERNING LAW; VENUE.

Any dispute concerning a matter of fact arising under this Contract or any subcontract, which is not disposed of by mutual agreement within fifteen (15) calendar days, shall be decided by the Attorney General, or the Attorney General's duly

designated representative, who shall reduce the decision to writing and mail or otherwise furnish a copy of the decision to Grantee. The decision of such person shall be final and conclusive. Pending final decision of such dispute, Grantee shall proceed diligently with the performance of this Contract in accordance with Agency's request. The validity of this Contract and any of its terms or provisions, as well as the rights and duties of the parties to this Contract, shall be governed by the laws of the State of Hawaii. Except as otherwise provided in this Section, any action to enforce this contract or for breach of this Contract shall be brought only in a State court of competent jurisdiction in Honolulu, Hawaii.

APPLICATION FOR S.T.O.P. VIOLENCE AGAINST WOMEN GRANT

PART II. DESCRIPTION OF PROJECT

Note: This form does not provide spell check.

A. THE PROBLEM

The Criminal Justice System on Maui will be improved because VAWA funds will provide updated training and education in area of sexual assaults, and other violent crimes against women. The agencies involved will be law enforcement, medical personnel, crisis workers and prosecutors. This will enable us to develop a network of knowledgeable professionals with backgrounds ranging from first responder to counseling crisis worker. These professionals will be enabled to create a safe, secure and authentic environment for victims of sexual assault, a very heinous and underreported crime. The collaborative efforts of the agencies will solidify reporting and ultimately prosecution against those who commit violent crimes against women.

Although the problem is specific to sexual assaults against women, the training and tools will improve other types of crimes against women cases in report writing, reporting and prosecution of the offender.

The following are the statistics for sexual assault cases, which have been reported to and investigated by the Maui County Police Department and sent to the Maui County Office of the Prosecuting Attorney:

1. In the calendar year of 2017, the Maui County Police Department documented a total of 254 sexual assaults. This included 216 sexual assaults in which the victim was female.
2. Of the documented cases over 85% of the reported victims were female.
3. In the calendar year of 2017, the Maui County Office of the Prosecuting Attorney received 119 sexual assault cases or approximately 46% of the reported cases.
4. A total of 68 of these cases were declined for prosecution. This provides an approximately 42% prosecution rate.
5. In the calendar year of 2016, the Maui County Police Department documented a total of 330 sexual assaults. This included 174 sexual assaults in which the victim was female.
6. Of the documented cases over 52% of the reported victims were female.
7. In the calendar year of 2016, the Maui County Office of the Prosecuting Attorney received 121 sexual assault cases or approximately 36% of the reported cases.
8. A total of 47 of these cases were declined for prosecution. This provides an approximately 61% prosecution rate.
9. Numbers provided by the State of Hawaii, Department of Health, show the annual number of females treated at Maui hospitals for "home" related assaults ranged between 139-149, between

2010 and 2014. These numbers do not distinguish between domestic violence and sexual assault. It must also be noted with this number the coding to 24% of the Maui cases is missing or listed “unknown” and shows possible under reporting.

As explained above, the problem is evident that in Maui County, sexual assault cases are rising and additional training and community outreach is needed.

The Maui Police Department’s, Plans and Training Division require police recruits two hours of adult and juvenile sexual assault investigation training. Recruits receive a total of 1200 + hours of classroom training, plus 640 hours of training in the field. Follow-up training is provided during annual recall training and consists of 2 hours and 15 minutes of adult sexual assault training.

In the most recent United States Department of Justice, National Crime Victimization Survey; 2008-2012, approximately 68% of sexual assaults are not reported to Police.

An article, released by the United States Department of Justice in August 2002: Rape and Sexual Assault documents, when the sexual assault was reported to police the victim was most likely to report it. Also there is a direct correlation to the closer the relationship with the offender the less likely the sexual assault will be reported to police and shows a domestic violence component to sexual assaults against women with 77% not reporting a husband or boyfriend as committing a sexual assault. This provides documentation of the importance training is needed at the first responder level, to increase initial reporting. It is also worth noting, in the mentioned, United States Department of Justice numbers, persons age 12 and older were included.

Sexual Assault against women is about power and control over the victim. This leads to embarrassment and/or fear for the victim and the delay or non-reporting of the assault to law enforcement. Education and information on the importance of reporting and further timely reporting should lead to a higher prosecution rate.

B. GOALS AND OBJECTIVES

Goal:

To improve the County of Maui’s community outreach and response to sexual assault victims, specifically focusing on enhanced reporting, offender prosecution and counselling for the victims of sexual assaults.

7. Training(s)/Conference(s) Compliance

Grantee agrees to comply with all applicable laws, regulations, policies, and guidance (including specific cost limits, prior approval and reporting requirements, where applicable) governing the use of federal funds for expenses related to conferences, meetings, trainings, and other events. Grantee understands and agrees that any training or training materials developed or delivered with funding provided under this award must adhere to the OVW Training

Guiding Principles for Grantees and Sub-grantees, available at <http://www.ovw.usdoj.gov/grantees.html>

8. Duplicate Award of Federal Funds

Grantee agrees that if it currently has an open award of federal funds or if it receives an award of federal funds other than this CPJAD award, and those award funds have been, are being, or are to be used, in whole or in part, for one or more of the identical cost items for which funds are being provided under this CPJAD award, the grantee will promptly notify, in writing, the assigned Criminal Justice Planning Specialist for this CPJAD award, and, if so requested by CPJAD, seek a budget or project narrative modification to eliminate any inappropriate duplication of funding. Further, the Grantee agrees and understands that any duplicative funding that cannot be re-programmed to support non-duplicative activities within the program's statutory scope will be deobligated from this award and returned to CPJAD.

9. VAWA Federal Eligibility Requirements

Grantee shall comply with provisions of 42 U.S.C. 13925(b)(2), non-disclosure of confidential or private information, which includes creating and maintaining documentation of compliance, such as policies and procedures for release of victim information. Grantee shall also ensure that any subgrantees meet these requirements.

12. Restrictions and Certifications Regarding Non-Disclosure Agreements and Related Matters

No Grantee or subgrantee under this award, or entity that receives a contract or subcontract with any funds under this award, may require any employee or contractor to sign an internal confidentiality agreement or statement that prohibits or otherwise restricts, or purports to prohibit or restrict, the reporting (in accordance with law) of waste, fraud, or abuse to an investigative or law enforcement representative of a federal department or agency authorized to receive such information.

13. Prohibited Conduct Related to Trafficking in Persons

Grantee, and any subgrantee at any tier, must comply with all applicable requirements (including requirements to report allegations) pertaining to prohibited conduct related to the trafficking of persons, whether on the part of Grantees, subgrantees, or individuals defined (for purposes of this condition) as “employees” of the grantee or of any subgrantee.

The details of the Grantee’s obligations related to prohibited conduct related to trafficking in persons are posted on the OVW web site at <https://www.justice.gov/ovw/grantees> (Award condition: Prohibited conduct by grantees and subgrantees related to trafficking in persons (including reporting requirements and OVW authority to terminate award)), and are incorporated by reference here.

14. General Appropriations-Law Restrictions

Grantee, and any subgrantee at any tier, must comply with all applicable restrictions on the use of federal funds set out in federal appropriations statutes. Pertinent restrictions, including from various “general provisions” in the Consolidated Appropriations Act, 2016, are set out at <https://www.justice.gov/ovw/grantees> and are incorporated by reference here.

Should a question arise as to whether a particular use of federal funds by a Grantee or subgrantee would or might fall within the scope of an appropriations-law restriction, the grantee is to contact CPJAD for guidance, and may not proceed without the express prior written approval of CPJAD.

15. DOJ Regulations Pertaining to Civil Rights and Nondiscrimination - 28 C.F.R. Part 38

Part 38 of 28 C.F.R., a DOJ regulation, was amended effective May 4, 2016.

Among other things, 28 C.F.R. Part 38 includes rules that prohibit specific forms of discrimination on the basis of religion, a religious belief, a refusal to hold a religious belief, or refusal to attend or participate in a religious practice. Part 38 also sets out rules and requirements that pertain to grantee and subgrantee organizations that engage in or conduct explicitly religious activities, as well as rules and requirements that pertain to grantees and subgrantees that are faith-based or religious organizations.

The text of the regulation, now entitled “Partnerships with Faith-Based and Other Neighborhood Organizations,” is available via the Electronic Code of Federal Regulations (currently accessible at <http://www.ecfr.gov/cgi-bin/ECFR?page=browse>), by browsing to Title 28-Judicial Administration, Chapter 1, Part 38, under e-CFR “current” data.
