Dear Sir or Ma'am,

This letter is to sent to you to support Manu (Carl) Adolpho. I have known him and his family for many years, and can vouch for his authenticity and true passion to support Molokai, and all of Hawaii in a positive light. His character is one of calm and thoroughness, and he works hard to support his family and also to support the people in his community. His family is one of the original homesteaders in Hoolehua who has strong ties to the rest of us all on Molokai.

His presence on the Planning Commission would be wonderful and a blessing. He is a person who takes the time to understand what he is doing, makes decisions based on reason, and brings a fresh perspective to the committee.

Please consider our letter when deciding on membership, we support Carl and hope he is appointed the Planning Commission,

Respectfully,

Nathaniel Oswald
