Mr. Michael Miyamoto, Director
Department of Environmental Management
County of Maui
Wailuku, Hawaii 96793

Dear Mr. Miyamoto:

SUBJECT: **PRE-BUDGET SESSION PRESENTATION**
(DEPARTMENT OF PARKS AND RECREATION)
(HFC-13(4))

As discussed at the March 14, 2019 Healthy Families and Communities Committee meeting, although the Helene Hall facility falls under the jurisdiction of the Department of Parks and Recreation, the capital improvement project related to the Helene Hall septic system improvements (CBS-5472) falls under the jurisdiction of the Department of Environmental Management.

As noted in the Fiscal Year 2019 Budget, Appendix C – Capital Improvement Projects, Department of Environmental Management, \$245,000 was appropriated for the design and construction of a wastewater pilot project to replace the existing cesspool at Helene Hall.

May I please request a status update on the project. Include the work performed to date, the work yet to be performed, and an update on the funds appropriated. If work has not yet begun or is pending, provide the reasons for the delay and the anticipated date for work to commence.

I would appreciate receiving your written response **no later than Monday, April 1, 2019**. To ensure efficient processing, please include the relevant Committee item number in the subject line of your response.
