RE: Support Makila Farms AH-1 (3)

Dear Tasha Kama, Chair - Housing Committee

My name is Kalea Freda. I am born on Maui and raised in Lahaina. This letter is written on behalf of myself and my family that supports this community. We own our own lands from Honokohua to Napili. We recognize the impact this project will have on the community, however the project is built with the community's best interests in terms of low density and affordability. It supports agriculture and workforce on this side of the island. I have been selling Real estate on the West Side of Maui for over 8 years and Greg Brown has been a reputable builder here on the West Side of the island for about 15 years now and there is always a respect of workmanship and cleanliness on his jobsites in the neighborhoods that he has built.

Please approve Makila Farms as it will support workforce for 2+ acre lots and no other workforce community has provided that for even 1/2 acre.

Thank you,

Kalea Freda - Realtor
