RE: Support Makila Farms AH-1 (3)

Dear Tasha Kama, Chair - Housing Committee

As a born and raised Maui resident, I am sending you this email to show my support to the Makila Farms Affordable Housing Project. I believe this is a great opportunity for local families who are striving to have sustainability and gives them a chance to be able to make the dream of having their own home a reality. As a local business owner, my occupation contributes to the community by means of a recycling program. The Makila Affordable Housing Project would be a contribution to those trying to find an "affordable" house that meets their income.

Mahalo for your all your help!
