Hi Sharon;

Okay, I am thoroughly confused.

First of all, am sending some of the remaining documents:

Diamond Parking contract and reports  
FOM tax returns

We are still trying to locate the MOU, not much luck.

And, for some reason, am not able to locate our Grants reports from 2012-2014

However, after having a conversation with my board last night, it seems that FOM came before the County Council in 2012 and presented some of the documents you are requesting.

In addition, there was some discussion on the use of the parking lot concession funds with Corp Counsel (Jeff Ueoka).

Am not quite sure what took place, but according to our attorney, Stan Manuia, much of the concerns the committee is presenting in terms of documentation was provided to the Council in 2012.

Since I was not part of FOM, I am not clear on what took place, and unfortunately I am still not sure if any of our board members will be present at the hearing today.

As soon as Pono completes the assembly of the missing documents, will get them to you.

Blossom
