Dear Chief Ventura

OluKai is honored to forward this formal proposal to donate footwear with the County of Maui's, Ocean Safety Bureau.

Our goal is to donate product to the Maui County Ocean Safety Officers by providing them with high quality footwear to be worn while on duty. This is a relationship that we believe will be mutually beneficial.

It is our intent to donate three pairs of footwear per working ocean lifeguard, or approximately 294 pairs of footwear, with an estimated retail value of \$220 per guard in the calendar year 2024.

There are several benefits we believe this donation will provide to the ocean safety lifeguards:

- 1) The use of our performance collection offers secure footing and durable protection in challenging ocean and island environments.
- 2) We also believe that County of Maui will benefit from this relationship thru the goodwill it will produce with the ocean safety team.

Once again, thank you for the opportunity.

Best Regards,

Archie Kalepa
