At the request of the Chair of your Committee, the Budget Director transmitted revised proposed bills separating the projects by area, with a separate set of proposed bills for Kahului, Waiehu, and South Maui.

With respect to the drainline repairs for Waiehu, the Budget Director transmitted the following:

1. A revised proposed bill entitled "A BILL FOR AN ORDINANCE AMENDING THE FISCAL YEAR 2018 BUDGET FOR THE COUNTY OF MAUI AS IT PERTAINS TO ESTIMATED REVENUES; DEPARTMENT OF PUBLIC WORKS, WAILUKU-KAHULUI COMMUNITY PLAN AREA, DRAINAGE, WAIEHU DRAINLINE REPAIRS, TOTAL CAPITAL IMPROVEMENT PROJECT APPROPRIATIONS; AND TOTAL APPROPRIATIONS (OPERATING AND CAPITAL IMPROVEMENT PROJECTS)."

The purpose of the revised proposed bill is to amend the FY 2018 Budget by 1) increasing Estimated Revenues from the Bond Fund by \$1,530,000; 2) amending Section 4.J.6.a.(1), by adding an appropriation of \$1,530,000 under the Department of Public Works, Wailuku-Kahului Community Plan Area, Drainage, Bond Fund, for the Waiehu Drainline Repairs project; and 3) adjusting the totals accordingly.

The purpose of the revised proposed bill is to amend the FY 2018 general obligation bond authorization ordinance by adding an appropriation of \$1,530,000 under the Department of Public Works, Wailuku-Kahului Community Plan Area, Drainage, for the Waiehu Drainline Repairs project.

3. A revised proposed bill entitled "A BILL FOR AN ORDINANCE AMENDING THE FISCAL YEAR 2018 BUDGET FOR THE COUNTY OF MAUI AS IT PERTAINS TO APPENDIX C – CAPITAL IMPROVEMENT PROJECTS, DEPARTMENT OF PUBLIC WORKS, WAILUKU-KAHULUI COMMUNITY PLAN AREA, WAIEHU DRAINLINE REPAIRS."

The purpose of the revised proposed bill is to amend the FY 2018 Budget, Appendix C, Capital Improvement Projects, by adding an appropriation of \$1,530,000 and a project description for the Waiehu Drainline Repairs project under the Department of Public Works, Wailuku-Kahului Community Plan Area.

Your Committee notes it previously reported on this matter through Committee Report 17-177, which recommended that the proposed bills relating to the Kahului Drainline Repairs be passed on first reading and be ordered to print. At its meeting of December 1, 2017, recessed to December 4, 2017, the Council adopted the recommendations in Committee Report 17-177.

Your Committee completed its review of the proposed bills for the Waiehu Drainline Repairs. Your Committee may discuss the proposed bills relating to the South Maui Drainline Repairs at a later date.

The Director of Public Works said drainline repairs are needed in various locations in Waiehu. The current drainage pipes, made of corrugated metal, are near the end of their useful lives of 30 to 50 years. The drainage pipes have deteriorated severely, resulting in sinkholes and dangerous situations on the roadways. The Director said metal plates are used to cover compromised areas until repairs can be made.

Your Committee notes about six sinkholes occur annually throughout the County. The Department incorporates a lining to prolong the life of old drainlines when feasible.

The Director also said the Department intends to repair the drainlines with pipes made of high-density polyethylene, which have useful lives of approximately 100 years.

The Director said at Wailupe Drive and Analio Street within the Waiehu Heights Subdivision, the replacement of approximately 1,500 feet of 60-inch drainline is estimated to cost \$1,180,000. Although the drainlines are about 40 years old, the salt air and salt spray flushing through the drainage system accelerated the corrosion of the metal pipes.

He said approximately 450 feet of 48-inch drainline will be replaced at Hiahia Place within the Oceanview Subdivision, also in Waiehu. The estimated cost of the project is \$350,000.

In response to your Committee's inquiry as to whether the Department will improve roadways and sidewalks concurrently with the drainline repairs, the Director said the Department does simultaneous improvements whenever possible. The Department will consider resurfacing and striping of roadways and other related improvements as it completes these drainline repairs. He said because these projects are within residential neighborhoods, the Department also considers traffic-calming measures that may be needed at the same time.

Your Committee voted 8-0 to recommend passage of the revised proposed bills relating to the Waiehu Drainline Repairs on first reading. Committee Chair Hokama, Vice-Chair White, and members Atay, Carroll, Cochran, Crivello, King, and Sugimura voted "aye." Committee member Guzman was excused.

Your Committee is in receipt of further revised proposed bills, approved as to form and legality by the Department of the Corporation Counsel, incorporating nonsubstantive revisions, including adjustments to reflect the expected passage of other pending legislation.

Your Budget and Finance Committee **RECOMMENDS** the following:
